## ANNAMACHARYA INSTITUTE OF TECHNOLOGY & SCIENCES

The College was established by the Annamacharya Educational Trust in the year 2007, by Shri. C. Gangi Reddy, well known edupreneur in A.P & Telangana States for his administrative and organizational skills. Since its inception, it has been relentlessly serving the society by promoting Engineering education to the common man & rural masses. Dr. C. Nadhamuni Reddy, Principal is the helm of the administration of the college. They are supported by a team of eminent faculty members.

Campus is established in an area of 40 acres sprawling green campus with serene atmosphere and congenial learning practices, and the campus comprises aesthetically designed buildings that are networked by fiber optic cables. The institution offers five B.Tech. degree programmes in EEE, ECE, CSE, ME and Civil Engg. It also offers five M.Tech degree programmes in structural Engineering; Power Systems; Digital Electronics & Communication Systems; Computer Science & Engineering; Production Engineering & Engineering design in addition to MBA.

Recently our college conferred Autonomous by UGC and awarded the highest grade 'A' by the National Assessment and Accreditation Council (NAAC). Most of the undergraduate programmes have been accredited by NBA also.

## OBJECTIVE

This conference aims to be one of the leading National conferences for presenting novel and fundamental advances in the fields of Science, Engineering and Technology. It also serves for creating a national forum for researchers, scientists and academicians to explore and discuss the results and proposals regarding the recent innovations and improvements related to field.

This event will include the participation of renowned keynote speakers and oral presentations. This conference is highly interdisciplinary and encompasses all the key aspects of Energy and Environment and its intrinsic relationship to Engineering field. Papers pertinent to the topic are invited from all relevant disciplines.
