ABOUT THE PROMOTING BODY ANNAMACHARYA EDUCATIONAL TRUST (AET)

The esteemed Annamacharya Educational Trust (Regd. 135/IV/97), Hyderabad, attributing the historical importance, Annamacharya, the beloved disciple of Lord Venkateswara, always cherishes to find his berth at his lotus feet; symbolically, the institute christened the name of "Annamacharya" is established at the foot of Seven Hills, the abode of lord aspiring young minds, the trust has set up futuristic knowledge hubs in four strategic locations at Rajampet, Hyderabad, Tirupati, and Kadapa.

ABOUT THE HOSTING INSTITUTION

Annamacharya Institute of Technology & Sciences, Tirupati (AITS, Tirupati) was established in the year 2007 in a 40-acre sprawling green campus with a serene atmosphere and congenial learning environment. The institute ensures that students are provided adequate practical orientation in order to succeed in the present day competitive corporate world. The institute is aware of the needs of a dynamic global village today which is the quest of young, energetic, and efficient technocrats and managers. Thus, it is inculcating these requirements in the courses offered in a holistic method.

- Making as one of the nation's premier Engineering colleges by achieving the highest order of excellence in the technical field.
- Inculcating core competitive skills, discipline, and hard work in the students and making them professional by imparting value based knowledge.

ABOUT THE CONFERENCE

The conference is intended to impart knowledge to the participants about strategies to address and improve the policies for breaking 'Glass Ceiling' and ideas, best practices, and methodologies for empowering women. It will give the participants an idea about managerial skills to empower themselves and the research opportunities available in this field.

We hope that your gracious presence and enthusiastic participation will make the event a grand success and a wonderful source of knowledge to empower women.

OBJECTIVES

- To create awareness and assess the impact of the Glass Ceiling on career development of women employees.
- To nurture emotional intelligence for growth and development among women leaders.
- To recommend solutions to advance their career.
- To enable women in employment to advance in their career through training and development.
- mechanisms to in-built capability and capacity.

THEME AREAS

- Educational Empowerment of Women Status in 21st century.
- The Glass Ceiling Effect and Its Impact on Women career development.
- Glass ceiling in India: a reality for women in educational institutions
- Empowerment Through Legal Knowledge
- Bridging the Gap between Talk and Walk-in Glass ceiling policies.
- The Glass Ceiling Effect for Women in the educational institutions and Industry.
- Encouraging Women Leaders to Promote Women.
