Suggestions given by the members are:

1. The Target could be revised based on the Existing batch Results (2017-21).
2. Its resolved to encourage faculty through HOD & Professor to incorporate collaborative learning in Teaching Learning Process.
3. Resolved PO4 and PO5 decline by conducting relevant recent engineering trends related STTPs and workshops also students attended few Online webinars to improvise them to meet global trend requirements
4. Resolved PO8 decline by Including few electives in autonomous regulations related to Human Ethics & Professional Ethical values.
4. Resolved to utilize APSSDC workshops in future as the certificate course to add value to the education.
5. Resolved to Guide and Strength on the curriculum by introducing minor projects also @ 2nd / 3rd year level
