

CRITERION-I: Metric 1.3.1

Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment & Sustainability and other value framework enshrined in Sustainable Development goals and National Education Policy – 2020 into the Curriculum

Description:

AITTS has identified important topics that affect and cut across most of aspects in holistic development. The better way to inculcate such cross-cutting topics are to embed learning regarding Professional Ethics, Gender, Human Values, Environment & Sustainability in curriculum itself. The table below lists various subjects incorporated into the curriculum.

S. No	Regulations	Name of the Subject	Year-Semester	No of classes per week
1	JNTUA R15	Social Values & Ethics	3-1	2
2	AK19	Environmental Studies	2-1	2
3	AK20	Environmental Studies	2-1	2
4	AK19	Biology for Engineers	2-2	2
5	AK20	Biology for Engineers	3-1	2
6	AK20	Universal Human Values	2-2	3
7	AK19	Constitution of India	3-1	2
8	AK20	Constitution of India	1-2	2
9	AK19	Professional Ethics and Human values	3-2	2
10	AK20	Professional Ethics and Human values	3-2	2
11	AK19	Principles of Effective Public Speaking	3-2	2
12	AK20	Principles of Effective Public Speaking	2-1	2
13	AK19 & AK20	3 weeks Induction program at the start of First year classes emphasizing on Human values, Ethics, Gender sensitization etc.	Zero semester	30

INDUCTION PROGRAMME (2019-2020)

Annamacharya Institute of Technology and Sciences (Autonomous), Tirupati organized a three week Induction program from 3rd August 2019 to 24th August 2019 for the fresh entrants into B. Tech programme as per the usual convention. The objective of the program is to make the students feel comfortable in their new environment, and understanding of the self, people around them. The induction program comprised of interesting activities like motivational talent hunt (art & craft), creating awareness to villagers on cleaning environment, working on empathy & expectations, waste management worksheets, expert lectures, and campus orientation sessions. This Induction Program helped to rectify some critical lacunae and sensitize them towards exploring their academic interest and activities and making them work for excellence, built relations between teachers and students and overall personality development.

Dancing Performances

Empathy & Expectations worksheet

creating awareness on cleaning environment

Art & Craft

Interaction with students

Along with expert talks the students were exposed to village visit and industrial visits for catering their social as well as technical side of learning.

Yoga and training to students

INDUCTION PROGRAMME (2020-2021)

Annamacharya Institute of Technology and Sciences (Autonomous), Tirupati organized a two week Induction program from 11th January 2021 to 25th January 2021 for newbies into B. Tech programme. The objective of the program is to set a healthy daily routine, create bonding in the batch of students, faculty etc, and sensitize them towards exploring their academic interest and activities. The induction program comprised of interesting activities like motivational talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. This Induction Program helped to rectify some critical lacunae and making them work for excellence, and overall personality development.

Interactions with entrants by experts

Dance performances

Lecturing on different fields

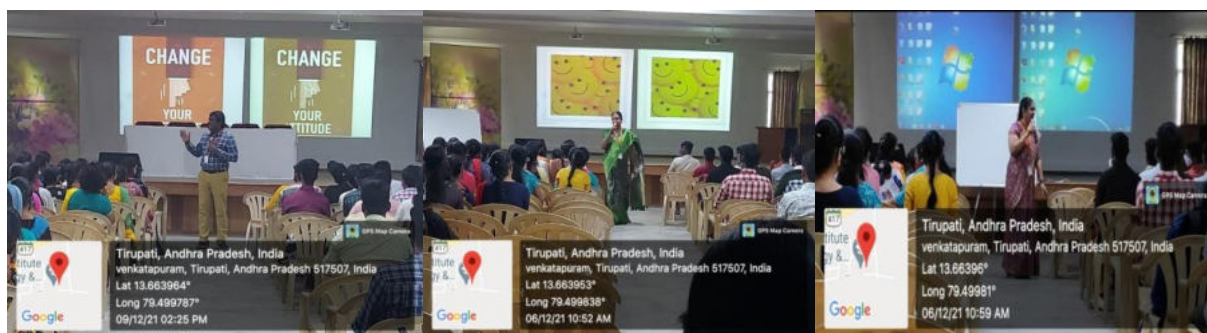

The college committee for Induction program invited experts from different subject experts in the institution to interact with the new entrants and brief the learners with their expertise in various fields. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations. The total involvement of deputed Faculties actively engrossed in various responsibilities of Induction Programme, that facilitated to motivate the entrants to stir like a sugar in water of institutional activities.

INDUCTION PROGRAMME (2021-2022)

Annamacharya Institute of Technology and Sciences (Autonomous), Tirupati organized a two week Induction program from 30th November 2021 to 14th December 2021 for the fresh entrants into B. Tech programme as per the usual convention. The objective of the program is to make the students feel comfortable in their new environment, set a healthy daily routine, and understanding of the self, people around them. This Induction Program helped to rectify some critical lacunae and sensitize them towards exploring their academic interest and activities and making them work for excellence, built relations between teachers and students and overall personality development. This programme helped the students in inculcating the discipline and culture of institution to achieve success in the engineering field.

Interactions with entrants by experts

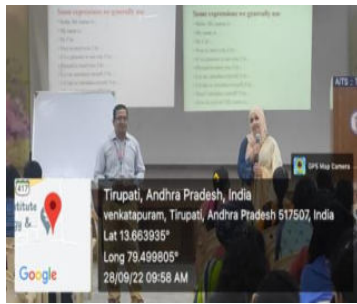

Lecturing on different fields

Experts were invited from different subjects in the institution to interact with the new entrants and brief the learners with their expertise in various fields. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations. Students attended workshops to train themselves on communications skills and learnt overview of the opportunities under the guidance of the placement cell. This programme creates the path to the students those are in great zeal to become successful engineers.

INDUCTION PROGRAMME (2022-2023)

Annamacharya Institute of Technology and Sciences (Autonomous), Tirupati organized a four week Induction program from 28thSeptember 2022 to 28thOctober 2022 for newbies into B. Tech programme as per the usual convention. The objective of the program is to make the students feel comfortable in their new environment, set a healthy daily routine, create a friendly bonding among them and get activated by the faculty, and understanding of oneself and people around them. The program included the lectures by various course teachers on the basics of the subjects like English, Mathematics, Physics and Chemistry with interesting quiz sessions and puzzles. Essay writing competition was held to inculcate the creativity among the students. This programme creates the path to the students those are in great zeal to become successful engineers.

Interaction with students

A trip to Science center

Training by Placement Officer

Motivational sessions from the external and internal members of the college were held. In one of such motivational sessions Dr. Christian Burtlof, President, Gandhi Information Centre, Germany, stated that at present youth must follow the principles of Gandhi because he is ever a true personality. Another speaker Dr. Prasad, Gandhi King foundation Managing Trustee, advised the students to read and practice Bhagath Singh principles and asked the youth to follow Gandhi footsteps. Next day, Placement officer initiated the students on the importance of the training programs and created awareness on various leading companies. Later, Students along with the faculty visited science center as a part of industrial tour.

Dr Christian Burtlof & Dr Prasad interacting with students

Felicitation by faculty

AITS Eco-Lution Club

E – ENVIRONMENTAL C – CONSERVATION O – ORGANIZATION

The main constitution of the Eco- Lution AITS club is to make the young minds aware about the air, water, soil and noise pollutions and how to save the environment for a better tomorrow.

The main agenda of this club:

- a. Work towards Environmental Alertness.
- b. Environmental sensitivity in students, faculty, non-teaching staff and workers.
- c. To take up activities in real world by building altitude in the students towards sustainability.
- d. Empower students to participate and take up meaningful environmental activities and projects.
- e. Sustainable development and understanding the quality conditions in the campus
- f. Encouraging creativity, and improving students for constructive action.
- g. Promote ethos of conservation of water by minimizing the wastage of water.
- h. Youth Mobilization
- i. Plantation program in the campus.
- j. Meaningful Participation for the Better and Healthy Surroundings.

Aims and objectives:

- ✦ Educate students to create awareness amongst public and sanitary workers, so as to stop the indiscriminate burning of waste which causes respiratory diseases.
- ✦ Motivate the students to keep their surroundings clean and green and making them understand the importance of planting trees.
- ✦ Sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains and sewers, cause water logging and provide breeding ground for mosquitoes.
- ✦ Organize tree plantation program, awareness program through quiz, essay and painting competitions, rallies etc. regarding various environmental issues which help them understand the importance about re-use of waste material & preparation of products out of waste.
- ✦ Maintain organic composting pits.
- ✦ Beautify selected road side area with Avenue plants and put campaign boards to generate awareness.

➤ The following are the committees for AITS Eco-Lution Club

- Executive Advisory Committee
- Board of Eco- Lution Club

a) Executive Advisory Committee (EAC)

S.No	Name and designation	Role in the Council
1	Prof. C. Nadhamuni Reddy Principal, AITS, Tirupati	Chairperson
2	Dr. K. Ramya Coordinator, Internal Quality Assurance Cell (IQAC), AITS, Tirupati	Advisor
3	K. Sumavalli Assistant Professor, Civil Department, AITS, Tirupati.	Environmental Advisor
4	Dr. J. Guru Jawahar Professor, Dept.of CE, AITS, Tirupati	Advisor

b) Board of Eco- Lution Club (BELC)

S.No	Name and designation	Role in the RDC
1	A. Anil Head of the Department Dept.of CE, AITS, Tirupati	President
2	K. Sumavalli Assistant Professor, Civil Department, AITS, Tirupati.	Chief Staff Adviser
3	M. Sri Priya Assistant Professor, Civil Department, AITS, Tirupati.	Faculty Coordinator
4	Narasimhulu Assistant Professor, Civil Department, AITS, Tirupati.	Faculty Coordinator
5	K. Harsha Sri Assistant Professor, Civil Department, AITS, Tirupati.	Faculty Coordinator
6	I. Vamsi Krishna Assistant Professor, Civil Department, AITS, Tirupati.	Faculty Coordinator
7	I. Niranjan Reddy- 19AK1A0119 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Secretary
8	K. Dinesh- 20AK5A110 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Secretary
9	Y. Jaya Priya- 19AK1A0114 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Joint Secretary
10	K. Kranthimai- 20AK5A0117 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Joint Secretary

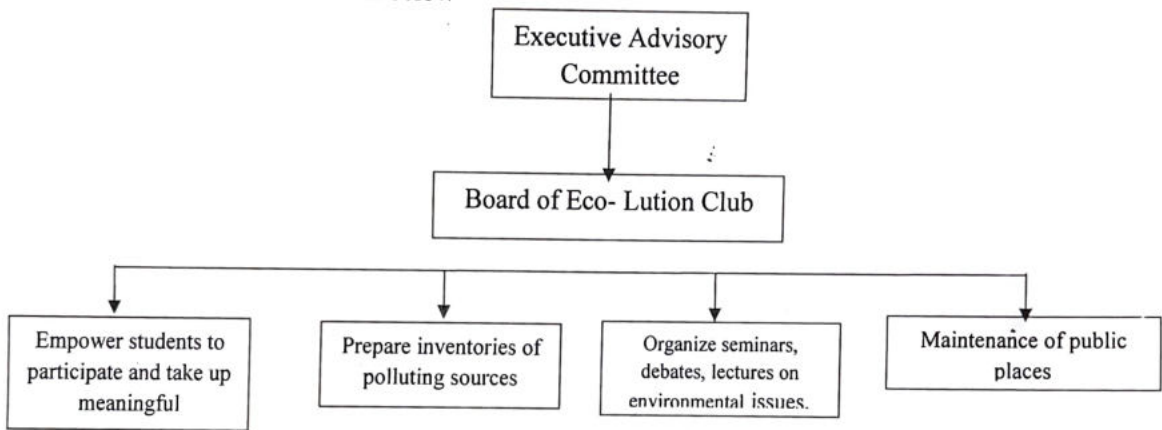

Annamacharya Institute of Technology and Sciences, Tirupati

Department of Civil Engineering

11	R. Jayanth- 19AK1A0112 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Member
12	N. Mahendra- 20AK5A0119 CE Student, Office coordinator, Civil Department, AITS, Tirupati.	Member

The organizational structure of **AITS ECO- Lution club** comprising of various committees for specified functions is shown below

2. **Electrical Rally:** Transport is a fundamental requirement of modern life, but the traditional combustion engine is quickly becoming outdated. Petrol or diesel vehicles are highly polluting and are being quickly replaced by fully electric vehicles. Fully electric vehicles (EV) have zero tailpipe emissions and are much better for the environment. As a part of the inaugural event of Eco- Lution Club, we conducted a rally for understanding the benefits of using E- Vehicles.

Electrical Vehicles (EV) Rally organised in the campus on 15.03.2023

Eco-Lution Club 17-3-2023

Eco-Lution Club
17-3-2023

Introduction	By Mrs Meenu Sri Priya
Lighting the Lamp	By Dignitaries
Prayer Song	By Miss Mounika
Speeches by	Principal Sir Dr C Nadamuni Reddy Garu ,Dr N. MUNILAKSHMI garu SV University HOD CE, etc
Coordinators	By Mrs K Sumavalli, CE & IQAC & I Vamsi Krishna, CE

Annamacharya Institute of science & Technology, Tirupati has inaugurated eco-Lution club on 17 March 2023 by Honorable Chief Guest Dr N. MUNILAKSHMI garu SV University. In this event she spoke about pollution, how it effects the environment, and also she appreciated the initiation of eco club by the civil department & IQAC which involves the participation of students in learning about improving their environment with small thoughts which can create lot of impact in day to day activities. As part of this event, some activities have been conducted like poster presentation, electrical vehicle rally. The students showed their interest by participating in poster presentation with Green concepts and through various electrical bikes, bicycles. Electrical vehicle rally can create awareness on renewable energy. Chief guest has visited and appreciated concepts and projects done by Final year civil engineering students like constructed Tree bench using PET Bottles and Rural water management on flood cases. By addressing on this occasion Principal Dr C Nadhamuni Reddy regarding the goals of the Environmental Club advised to increase awareness of environmental issues among faculty, staff, administration and students; and students to become better stewards of the environment. Dr K Ramya & Mrs K Sumavalli members of IQAC organized the Eco-Lution club. In this Programme ECO-Lution club president & Civil head of the department Mr A Anil, Professor J Guru Ja Jawahar & Staff students etc are participated.
