Sir,

We are herewith attaching the following documents
1. B.Tech I year Course Structure

First year course structure is fine. I approve the same. I understand that the following are courses from CSE.

- Problem Solving and Programming,
- Problem Solving and Programming Laboratory
- CSE workshop
- Data Structures
- Data Structures Laboratory

2. B. Tech I year Syllabus

However, the course syllabi is not found.

3. B.Tech II, III and IV Tentative Course Structure

Database Management is too early to introduce in 3rd sem. Ordering of the other courses is fine.

Kindly approve B.Tech I year Course Structure and Syllabus
