Dear Parent of our Student,

I hope you have been following the developments that are taking place at this Institute ever since its inception in year 2007 and especially after admitting your son / daughter at this Institute. The Institute administration is putting-in all efforts to develop this Institute as "The Best in the region".

As suggested by a few parents during their informal visits to the Institute and by a few students during their counseling with the Institute authorities, some modifications in the functioning of the Institute over the previous years are suggested to improve the general atmosphere on the campus. It is decided to give utmost priority for the discipline and any deviation from this aspect will not only lower the hard earned reputation of the Institute but also effect the academic performance of the students.

I hope you will agree with me that you too have a role to play in the development of the Institute in general and for the progress of your son / daughter in particular. Frequent visits by you to the Institute and counseling with the concerned faculty members and Heads of the departments and also with the Principal will help in clear understanding of the functioning of the Institute and help in the development of the proper atmosphere in the Institute. Given below are a few regulations in this direction.

1. Students are expected to stay in the respective class rooms only, even for spending their leisure time, but not in the corridors. The corridors are to be used only as passages. However, students can wait outside the classroom if the room is occupied for some purpose other than that class.
2. If a student leaves the academic complex in a session, he /she will not be permitted to re-enter the complex during that session.
3. The Scholarships holders will not be eligible for the scholarships, if the attendance is less than 75% (AP Govt issued G.O. to the effect that aadhar based bio-metric attendance will be recorded for the academic year 2021-22).
4. Attempts will be made to conduct extra classes for the students who are lagging behind in studies. If at all such classes are arranged, they must be compulsorily attended by such students who are identified as the ones lagging behind.
5. Introductory meets of faculty members & senior students will be arranged with the first year students for about an hour after 4.45 p.m. allowing selected groups to meet on specified days. All the students are required to co-operate in making such meets purposeful without causing any embarrassment or inconvenience to anybody.
6. Students subjected to any disciplinary action are likely to get affected in the following aspects.
 - i. Conduct Certificate
 - ii. Certificate for Bank Loan
 - iii. Scholarship renewal
 - iv. Sponsoring for Sports and Games
 - v. Condonation of shortage of attendance.
 - vi. Recommendation letters for further studies.
7. You are also requested to follow your son / daughter's academic performance and general behavior from time to time and also cooperate with the Institute in enhancing its reputation and also the all round development of your son / daughter.

With this letter, I make a sincere request to advise your son / daughter to take the academic aspects seriously and co-operate with the management in his/her interest in particular and in the interest of the Institute in general.

Please find students Bio-data form & an undertaking letter to be filled and signed by your son / daughter and countersigned by you, which are to be necessarily submitted in the Office at the time of payment of the fees. The fees will not be accepted if these forms are not filled up completely.
