Awareness Program on Intellectual Property Rights (IPR):: Report – 27th and 28th June 2022

Intellectual Property Rights are a common type of legal IP protection for those who invent. Intellectual Property (IP) refers to creations of mind, such as inventions; literary and artistic works; designs; and symbols, names and images etc. To protect, provide security and enhance the intrinsic value of such intangible properties, intellectual property rights (IPR) laws were enacted.

To create more awareness on IPR and to make their hard earned innovative work secured a workshop was conducted by IQAC of AITS, Tirupati in association with the student chapters of ISTE, IETE, IEEE and CSI.

The awareness workshop has been planned for two days : 27th and 28th June 2022 in three sessions : Two sessions for the students (27th June 2022) and one session for the faculty (28th June 2022).
