

## DEPARTMENT OF COMPUTER SCIENCE& ENGINEERING

### "PROBLEM SOLVING BY USING C 2019"

APSSDC, Govt. of Andhra Pradesh

22<sup>nd</sup> January 2019 to 25<sup>th</sup> February 2019

A Training Programme on "**PROBLEM SOLVING BY USING C 2019**" was organized by department of Computer Science and Engineering of Annamacharya institute of Technology and Science Engineering College for I B.Tech CSE 137 students are participated from 22nd January 2019 to 25th February 2019 in collaboration with APSSDC.

The objective of the workshop is to acquire knowledge on developing Programs by using turbo C++ that require any programming language. Students have learnt how to install, configure and the Standard Operating Procedure (SOP) of the software and its supporting resources. Students have learnt

- Data types
- Operators
- Functions and Pointers
- Structures and Unions
- Arrays
- Dynamic Allocation Functions and more.

The resource persons are experienced trainers from APSSDC, Govt. of Andhra Pradesh. They interactively demonstrated, taught and inculcated to the students the working with the application. The feedback from participants has been taken to understand and analyze the resource persons' domain knowledge, content delivery, and interaction during the workshop, can enable the department to organize such workshops in future. Overall, the event was successful.

#### **Outcomes:**

- Students gained knowledge on developing C Programs.
- It helped students to develop problem solving skills.
