Summary Report on Admissions

- As per AP Government Admission Policy ,for 70% of seats in the college, Government through AP state council for higher education (APSCHE) conducts web counseling every year at the state level for all the technological institutions including this institution
- Management of the institution has been allowed to fill 30% of seats under category –B for all the programmes as per the eligibility conditions given by the AP Government.
- Institute issue paper notifications for admission under Cat-B 30% quota and invite applications.
- Scrutiny will be done on the received applications and based on the priority / option by the admission aspirants, the merit list will be prepared and communicate to the applicants. Applicant within the stipulated time fulfill the admission formality and take the admission.
- All these years it has been observed that many candidates are interested in B.Tech - CSE and B.Tech - ECE in the next priority.
- A few aspirants have been looking at B.Tech –CSE only and if offered other branches they simply get their admission cancelled.
- Under these circumstances, very less no.of candidates are taking admission in the UG Programms like Civil Engineering, Electrical & Electronics Engineering & Mechanical Engineering under 30% Cat- B quota.
- More no.of applications have been received compared to the seats available in the branches like CSE and hence, many applications of less meritorious candidates have not been accommodated.
- Following Table shows the no.of available seats and filled under 70% Cat-A (through Counseling by the Government) and 30% Cat-B seats available and admitted by the Institution). Both Cat –A and Cat – B admissions have been ratified by the AP State Government and Affiliating University.
