

DEPARTMENT OF COMPUTER SCIENCE& ENGINEERING

“Google Android developer fundamentals phase-II workshop -2018”

9-3-2018 to 12-3-2018

A “**Google Android developer fundamentals phase-II workshop -2018**” was organized by department of Computer Science and Engineering of Annamacharya institute of Technology and Science Engineering College for III B.Tech CSE 85 students from 9-3-2018 to 12-3-2018 in collaboration with APSSDC.

The objective of the workshop is to acquire knowledge on developing applications that require any programming language.

Resource Persons:

- 3) Mr Lokesh, Trainer, APSSDC
- 4) Mrs M Sasikala, Trainer, APSSDC

The participants were able to successfully code and run their programs. The training program turned out to be a major successful event, imparting lot of knowledge about android programming and how to solve simple problems with android programming.

The resource persons are experienced trainers from APSSDC, Govt. of Andhra Pradesh. They interactively demonstrated, taught and inculcated to the students the working with the application. The feedback from participants has been taken to understand and analyze the resource persons’ domain knowledge, content delivery, and interaction during the workshop, can enable the department to organize such workshops in future. Overall, the event was successful.

Outcomes:

- Students gained knowledge on developing mobile applications.
- It helped students to develop creative thinking and imagination skills.
