**Subject:** Conducting EDP programme  
Dear sir,

I wish to inform that I am conducting EDP programme for B.Tech./MBA students through physical or webinar. This is one day programme consisting of the following topics.

1. Interaction with the successful Entrepreneur  
To know how to start the industry.
2. Interaction with the MSME bank Officer  
To know how to get the financial support to establish the industry.
3. Interaction with the DIC office  
To know the roll and responsibilities of District Industries Centre, AP Industrial Policy.
4. Interaction with the Chartered Accountant  
To know how to prepare the Project Report.

Sir, I am to inform that the EDP programme is chargable of Rs.15,000 to pay the guest faculty charges and transportation.

This is very useful for the students those who are planning to start their own Industry after graduation. Hence, if you are interested please inform to conduct the above said programme.

Thanking you sir

C.Nageswara Rao,  
Former Sr.Asst.Director

## POST PROGRAMME REPORT

During this Corona pandemic situation, in order to get relief from the stresses due to isolated life, the management has discussed and planned an innovative online game 'Scavenger Hunt' on Google Street View app platform on 23<sup>rd</sup> May 2021. More than 350 members National wide have participated in this game. Dr. C. Nadhamuni Reddy, Principal was the Chief Guest of this event. He addressed the participants about the importance of games and events. He also mentioned these types of games will improve the mental and logical ability of the participants. He then conveyed the best wishes to all the participants and suggested to make best use of this type of games.

The organizers of this game have prepared five clues. The participants navigated in the Google Street View app as per the clue and searched for the correct answer. The participants whoever completed first clue have then proceeded further with next clue. The first three participants who finished the entire hunt quickly were selected as the best three winners of the game and rewarded with a prize money of Rs.1000/-. The other participants have got the certificate of appreciation. The participants had a nice thrilling experience of this online game. They also conveyed to conduct such type of online games in near future.

## PROJECT EXPO - 2021

In order to bring out the innovative talent from AITS students, the management has decided and conducted a “PROJECT EXPO – 2021” on the occasion of National Science Day. This was celebrated in a grand way on 27<sup>th</sup> February 2021. Dr. C. Nadhamuni Reddy, Principal was the Chief Guest of this event. He advised the students that one must achieve success with dedication and determination as our scientists have achieved. Principal along with HODs and senior faculty enthusiastically enquired about each working model and posed number of queries to the exhibitors regarding their working models. He advised the students to develop real-time projects that are useful for the society. For that college is ready to extend financial help for their projects.

On this occasion around 27 innovative working models were displayed by the students. Professors of all Departments and Senior faculty acted as jury and selected 4 best models and awarded 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> Prizes and 1 consolation prize based on Novelty, Physical mode, Presentation effectiveness, Documentation quality parameters. Students from all years & branches were participated in this event.

The following models are selected as best :
