

INSTITUTE POLICY ON SCHOLARSHIPS AND FREE SHIPS

For the welfare of the students in connection with the Scholarships & Free ships the Management has constituted a Committee in the institution including a faculty from each department and a Senior Assistant also allocated. And these committee members under the directions of the Principal work for the benefits of the Scholarships & Free ships offered by the Government, Non-government Organisations & Voluntary Organisations.

First of all as and when the admissions are closed during the respective academic years, all the admitted students will be gathered with their parents and the Principal will address the students regarding the academics and educate about the benefits of the Scholarships & Free ships, the criteria to be met and procedure to apply.

After that, a printed Proforma will be distributed to the students and collect the data together with their photos which is required to apply for Scholarships etc., and the applications are processed through on-line scholarship portals by entering the data by the concerned Senior Assistant as and when the notifications are issued.

The faculty members of the committee will pursue the process of the applications and will update the necessary instructions / guidance through the e-notices / mails to the beneficiaries.

Further, on request of the parents based on their poor economic condition when approach the Management, Hon'ble Chairman / Hon'ble Secretary of the institution give certain concessions on the tuition fee payments.
