IEEE xplore

The screenshot shows the IEEE Xplore homepage in a Chrome browser window. The browser's address bar displays the URL `ieeexplore.ieee.org/Xplore/home.jsp`. A notification at the top of the browser indicates that Windows 8 is used and suggests upgrading to Windows 10 for future updates. The website's navigation bar includes links for `IEEE.org`, `IEEE Xplore`, `IEEE SA`, and `IEEE Spectrum`, along with options for `Cart`, `Create Account`, and `Personal Sign In`. The main header features the `IEEE Xplore` logo and navigation menus for `Browse`, `My Settings`, and `Help`. A user access box identifies the user as `Annamacharya Inst of Tech and Sciences Rajampet` with a `Sign Out` option. The central banner reads `Advancing Technology for Humanity` and displays a search count of `5,937,041` items. Below this is a search bar with a dropdown menu set to `All` and buttons for `ADVANCED SEARCH` and `TOP SEARCHES`. A promotional banner for the `IEEE CLIMATE CHANGE COLLECTION` is also visible. The `Featured Authors` section is partially visible below. At the bottom, a cookie consent banner states: `IEEE websites place cookies on your device to give you the best user experience. By using our websites, you agree to the placement of these cookies. To learn more, read our Privacy Policy.` with an `Accept & Close` button. The Windows taskbar at the bottom shows icons for Edge, File Explorer, Opera, Adobe Reader, OneDrive, and Chrome, with the system clock showing `11:18 PM 25/Apr/2023`.
