

To
The Principal,
AITS, Tirupati

Through: IQAC convener, AITS, Tirupati

Subject: Submission of report on student satisfaction survey (SSS) for the academic year
2022-23.

Respected sir

In the academic year 2022-23, under the guidance of IQAC of the college, the feedback committee assessed the student satisfaction on the overall performance of the institution. Google form containing twenty five questions covering all the key aspects of the institution performance and circulated among the students through social media group. Heads of the Departments were directed to motivate their students to participate in the student satisfaction survey. A large number of students participated and the responses were recorded. Opinion of the students on different questions was analysed to identify the areas of improvement. The detailed report of the observations and analysis to identify the areas of improvement was submitted for your perusal. Further, it is requested to suggest necessary action plans and corrective measures.

Thanking you

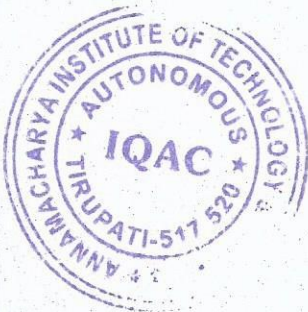

Date: 21.8.23

Place: Tirupati

Enclosure: A copy of feedback report

STUDENT SATISFACTION SURVEY REPORT

SUMMARY

Academic year: 2022-23

Survey mode: online

Total number questions: 25

Number of students participated : 2029

Average percentage rating by the students on the institutional performance: 73.1 %

From the analysis of the student satisfaction survey, it is found out that the student opinion to use ICT tools and improve the sports, cultural and extra curricular activities. Actions are planned for the upcoming academic year 2023-24.

Areas for improvement/suggestions	Action plan
Areas for improvement: ICT tools such as LCD projector, Multimedia, etc.	In all the departments, projectors are available, and a few faculty members are effectively utilizing them. In the next academic year, we aim to increase the utilization of ICT tools by more faculty members in their teaching practices
Areas for improvement/suggestion: Sports	Sports facilities are available in the college. There are plans to expand these facilities in the coming year. Previously, sports events were conducted once during the academic year. However, for the next academic year, we intend to organize semester-wise sports events
Suggestions: Cultural activities	Cultural events were conducted during Fresher's Day and Farewell. In the next academic year, cultural events are also planned to be held during the festival times.
Suggestions: Extra curricular activities	Extracurricular activities such as yoga, plantation, and blood donation were conducted through the NSS wing. In the next academic year, there are plans to expand the number of extracurricular activities.

STUDENT SATISFACTION SURVEY REPORT

Academic year 2022-23

Student satisfaction survey on the overall performance of the institution was collected from the students for the academic year 2022-23 through online mode. Google form containing 25 questions were circulated among the students through social media group. Students from all the courses were encouraged to participate in the student satisfaction survey. The list of questions posted in the google form were presented in **table 1**.

Table 1: List of questions for SSS

Q No	Questions
Q1	How much percentage of the syllabus was covered in the class?
Q2	The teachers communicate with the students very effectively.
Q3	What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching ?
Q4	Teachers encourage you to participate in extracurricular activities
Q5	Internal evaluation process (mid and internal lab exams) by the teachers is fair and transparent.
Q6	The teaching and mentoring (counselling) process in your Institution facilitates you in cognitive, social and emotional growth
Q7	Teachers inform you about your expected competencies, course outcomes and Programme Outcomes
Q8	The teachers illustrate the concepts through examples and applications
Q9	Teachers preparedness for the classes is well
Q10	The teachers identify your strengths and encourage you with providing right level of challenges
Q11	The institution makes efforts to engage students in the monitoring, review and continuous quality improvement of the teaching learning process through feedback and similar systems.
Q12	Teachers makes effects to inculcate soft skills, life skills and employability skills to make you ready for the world of work
Q13	The institute/ teachers use student centric methods, such as experiential/participative learning and problem solving methodologies for enhancing learning experiences
Q14	The institution provides multiple opportunities to learn and grow (training programs, social relevant projects, mini project, annual social gathering, NSS etc).
Q15	The institute has well-furnished laboratory facility
Q16	The institute take efforts for campus placements
Q17	The Institute takes active interest in promoting Internship, student exchange, field visit opportunities for students
Q18	The institute has Student Academic Council & representation of students on academic & administrative bodies/committees of the institution
Q19	Welfare schemes for students like scholarships, fellowships, etc. are available.
Q20	The institute has well-furnished library

**ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES :: TIRUPATI
(AUTONOMOUS)**

Venkatapuram(V), Karakambadi Road, Renigunta(M), Tirupati-517 520,Chittoor, A.P

Q21	The institute has well-furnished sports facilities
Q22	The facilities available in the institute are sufficient for conducting research work
Q23	The institute enhances creative abilities of the students through competitions (Essay writing, elocution, debate, magazines etc)
Q24	The institute has complaint/suggestion box to report your grievances/issues
Q25	The overall quality of teaching-learning process in your institute is very good

The number of students participated in the survey was 2029. The responses received from students were segregated from their opinion of option selections. The option notations for different questions are presented in **table 2**.

Table 2: Option notations for different questions

Q No	Options				
	A	B	C	D	E
Q1	85 to 100%	70 to 84%	55 to 69%	30 to 54%	Below 30%
Q3	Above 90%	70-89%	50-69%	30-49%	Below 30%
Q2 and Q4 – Q25	Strongly agree	agree	Neutral	Disagree	Strongly disagree

The percentage opinion of answers for different options were used to identify the 'scale of opinion'. The summation of two options ('A'-'B' or 'D'-'E') which results in the maximum value (% of opinion) was considered as the 'scale of opinion'.

$$\text{Scale of opinion} = \text{Maximum} \{(\text{Summation of 'A'-'B' or 'D'-'E'})\}$$

The 'scale of opinion' and '% of opinion' for the questions is tabulated in **table 2**. The graphical representation of '% of opinion' of answer for different questions is shown in **figure 1**. The "% of opinion" for the different questions is tabulated in **table 3**.

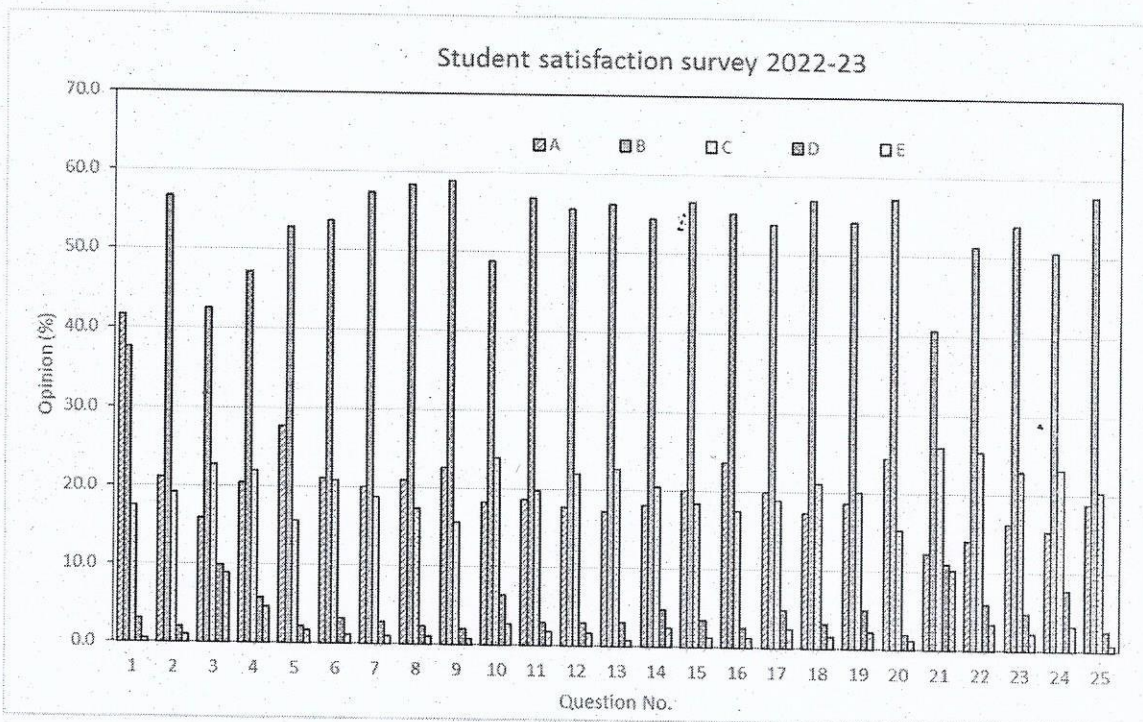

Figure 1: Graphical representation of opinions of answer for different questions

Observation of students on overall performance of institution

1. A good number of students (41.5%) pointed out that more than 85% syllabus was covered in classes.
2. 77.8 % students agreed that the teachers communicate with the students very effectively.
3. 58.4 % of students only stated that more than 70% of the teachers uses ICT tools such as LCD projector, Multimedia, etc. while teaching.
4. 67.6 % students agreed that teachers encouraged them to participate in extracurricular activities
5. 80.5 % students agreed that the internal evaluation process (mid and internal lab exams) by the teachers is fair and transparent.
6. A good number of students (74.8 %) acknowledged that the teaching and mentoring (counselling) process in the Institution facilitates the students in cognitive, social and emotional growth.
7. 77.4 % students agreed that the teachers inform the students about their expected competencies, course outcomes and Programme Outcomes.
8. 79.4 % students pointed out that the teachers illustrate the concepts through examples and applications.
9. 81.5 % students agreed that teachers prepares well for the classes
10. 67 % students agreed that teachers identifies their strengths and encourage them by providing right level of challenges.

**ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES :: TIRUPATI
(AUTONOMOUS)**

Venkatapuram(V), Karakambadi Road, Renigunta(M), Tirupati-517 520, Chittoor, A.P

11. A good number of students (75.4%) acknowledged that the institution make efforts to engage students in the monitoring, review and continuous quality improvement of the teaching learning process through feedback and similar systems.
12. 73.3 % students expressed their consent that the teachers make effects to inculcate soft skills, life skills and employability skills to make them ready for the world of work.
13. Majority of students (73.4 %) discoursed that the institute/ teachers uses student centric methods, such as experiential/participative learning and problem solving methodologies for enhancing learning experiences.
14. 72.5 % of the students opined that the institution provides multiple opportunities to learn and grow (training programs, social relevant projects, mini project, annual social gathering, NSS etc).
15. 76.7 % of the students agreed that the institute have well-furnished laboratory facility.
16. 78.8 % of the students expressed that institute make effects for campus placements
17. Good number of students (73.8 %) opined that the college make active interest in promoting Internship, student exchange, field visit opportunities for students
18. A good number of students (74.3 %) acknowledged that the college have student Academic Council & representation of students on academic & administrative bodies/committees of the institution
19. A good number of students (72.8 %) agreed that welfare schemes for students like scholarships, fellowships, etc. are available
20. More than 81.6 % students expressed that college have well-furnished library
21. Only 52.9 % students expressed that college have well-furnished sports facilities.
22. 65.3 % students agreed that facilities available in the institute are sufficient for conducting research work
23. A good number of students (70.1 %) acknowledged that the institute enhances the creative abilities of the students through competitions (Essay writing, elocution, debate, magazines etc)
24. More than 65.8 % students agreed that institute have complaint/suggestion box to report their grievances/issues
25. A large number of students (76.4 %) felt that the overall quality of teaching-learning process in the institute is very good.
26. The overall average percentage of opinion was found to be 73.06 %.

The % of opinion for options "A" and "B" in questions Q3 and Q21 are less than the threshold limit of 60 %. Hence, the uses of ICT tools by teachers and the sports facilities are consider for improvements in the next academic year.

Analysis of suggestions

Out of 2029 responses, 838 students provided suggestions. Among those, 227 suggestions were considered valid. These valid suggestions underwent further analysis to identify areas of improvement, and the findings were represented graphically in **Figure 2**. Suggestions

**ANNAMACHARYA INSTITUTE OF TECHNOLOGY AND SCIENCES :: TIRUPATI
(AUTONOMOUS)**

Venkatapuram(V), Karakambadi Road, Renigunta(M), Tirupati-517 520,Chittoor, A.P

exceeding 10% were considered for inclusion in the action plan. The areas targeted for improvement include sports, cultural activities, and extracurricular activities, and these are detailed in **Table 6**.

Suggested area for improvement
