

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	Annamacharya Institute of Technology and Sciences, Tirupati
• Name of the Head of the institution	Dr. C. Nadhamuni Reddy
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	9000002351
• Mobile no	9000002351
• Registered e-mail	aitstpt@yahoo.com
• Alternate e-mail	aitstpt@gmail.com
• Address	Karakambadi Road, Venkatapuram Village
• City/Town	Tirupati
• State/UT	Andhra Pradesh
• Pin Code	517520
2.Institutional status	
• Affiliated /Constituent	Autonomous
• Type of Institution	Co-education
• Location	Rural

• Financial Status	Self-financing				
• Name of the Affiliating University	Jawaharlal Nehru Technological University, Anantapur				
• Name of the IQAC Coordinator	Dr. K. Ramya				
• Phone No.	9963058059				
• Alternate phone No.	9963058059				
• Mobile	9963058059				
• IQAC e-mail address	iqacaitstpt2022@gmail.com				
• Alternate Email address	aitstpt@gmail.com				
3. Website address (Web link of the AQAR (Previous Academic Year))	https://aits-tpt.edu.in/wp-content/uploads/2022/12/AQAR-2021-22_compressed.pdf				
4. Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://aits-tpt.edu.in/curriculum-structure/#ACADEMIC-CALENDARS				
5. Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	3.09	2018	15/09/2018	31/12/2024
6. Date of Establishment of IQAC			13/11/2014		
7. Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
-	-	-	-	-	
8. Whether composition of IQAC as per latest NAAC guidelines			Yes		
• Upload latest notification of formation of IQAC			View File		

9.No. of IQAC meetings held during the year	12	
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> • If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
<ul style="list-style-type: none"> • Initiation and progress in ABC ID creation for all the students of the college • Uploading and processing the marks data in digilocker NAD portal • Special Sessions (Ethical and Technical) for the nonteaching staff • API forms for the nonteaching staff • Awareness sessions for gender sensitization 		
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year		

<p>Plan of Action</p>	<p>Achievements/Outcomes</p>				
<p>Based on the New education policy 2020, framed by union government and the revised academic curriculum suggested by govt. of A.P., UG engineering curriculum has been revised for this autonomous institution applicable for engineering aspirants by introducing Mandatory MOOCs and community service projects. Institution has planned to conduct Boards of Studies meetings in 2022-23 also to pursue the updates required and for evolving strategies for effective implementation of the curriculum. Plan of action for organizing co-curricular and extracurricular activities interlacing with academic schedules. Co-curricular event like webinars, industrial visits, training programs on emerging technologies, workshops etc has been planned. Extra curricular activities sports, games cultural fests and competitions have been placed. Various nonstatutory committees like WPC, WEC, IEC, REC, NSS, Kalaparivar and committee heads came up with the plans of action and adhering to the plans and schedules.</p>	<p>Curriculum included CSPs and MOOCs has been successfully completed. Co-curricular technical events like Bridge Modelling, Tech doodle, Circuit debugging, Code debugging, Techno Jam etc has been successfully conducted . Extracurricular activities like Ntriyameya, Miss Diva Talent Hunt, Roterodance, Drawing competitions, Telugu Ammayi etc were conducted. Sports events for the students and the faculty have been conducted and sports day was celebrated. Women Development Cell (WDC: WEC, WPC and ICC) in association with IQAC conducted awareness sessions for women protection, safety and empowerment. REC continued with the Lecture Series and RDC with IQAC conducted a Multidisciplinary Discussion Forum for initiating research across various disciplines. NSS conducted many events which included awareness program on antidrug day, Yoga sessions, Say NO to tobacco, Plantation, Blood donation drives etc.</p>				
<p>13. Whether the AQAR was placed before statutory body?</p>	<p>Yes</p>				
<ul style="list-style-type: none"> • Name of the statutory body 					
<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 50%;">Name</th> <th style="width: 50%;">Date of meeting(s)</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">GB</td> <td style="text-align: center;">17/08/2023</td> </tr> </tbody> </table>	Name	Date of meeting(s)	GB	17/08/2023	
Name	Date of meeting(s)				
GB	17/08/2023				

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2021-22	06/01/2023

15. Multidisciplinary / interdisciplinary

Though the Humanities and Sciences subjects are in the combination with the programs with hybrid titles, the courses of Humanities and Sciences like Applied Physics, Engineering Physics, Chemistry, Engineering Chemistry, Algebra and Calculus, Probability and Statistics etc have been integrated with the UG Engineering programs and has been clearly evident through the analysis of UG curriculum. Community service projects (CSP's) have been made as a part of curriculum and credits has been allocated. In this regard, students tend to move in the nearby communities to conduct some socioeconomic surveys, render relevant community service and submit the community service project report at the third year level of UG. Environmental education is a mandatory non credited course introduced in 2nd year of UG curriculum fulfilling AICTE norms.

16. Academic bank of credits (ABC):

The institution has been registered in National Academic Depository (NAD) portal with an id :NAD042222. ABC Ids of the students have been created for the batches admitted from 2019 onwards. The records/mark sheets of the 2019 admitted students were processed in the ABC portal and is ready to get published in NAD which is the major step taken by the institution. Other records for the consecutive years are in process.

17. Skill development:

From B. Tech II-1 to IV-1, there are 5 skill development courses included in the curriculum, out of which, 4 courses are technology related and 1 course related to soft skills. This is made mandatory credited courses for the batches admitted from 2020-21. The institution in collaboration with APSSDC and established two skill development centres in the style of AP CM's Skill Excellence Centre Dassault's 3D experiencing lab of worth 1 crore rupees and facilitated to the students of the institution to upskill on new software like CATIA, CADCAM and on emerging technologies. With APSSDC skill development program, 432 students participated and certified in 2022-23 academic year. In collaboration with APSICHE, institute facilitated the students to learn the virtual content in Microsoft platform and obtained 1900 certificates to our students and staff every year. Spoken tutorial

project of IIT Bombay granted FOSS centre to facilitate the students to learn and get certified through the platform spokentutorial.org through which 2000 certifications were obtained in 2022-23. AICTE's Parakh portal has been utilized and sensitized students to get assessment on their knowledge and skills and obtain certifications.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

To sensitize the student and teacher communities, the management of the institution has procured and shelved the books related to Indian Knowledge system like vedas (All vedas of 42 number of volumes), Ramayanam and Bhagavatham in Telugu, Bhagavat Geeta in Telugu and Sanskrit, Quran and Bible in English. Constitution of India and Universal Human Values have been introduced in the curriculum to inculcate the heritage of the country and moral values among the students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Initiated the introduction of credit transfer by including two mandatory courses in UG curriculum for students to take examination on Nptel SWAYAM/edX, coursera etc and credits earned by the students are actively considered for audit requirements of the program. Added to this, in the PG regulations (MBA and MCA), credit transfer has been introduced giving the provision to the students to take up 40% of the courses on MOOC platforms and obtained credits can be considered for the requirements for award of the degree. However, the chairman BOS/Program Head will permit if only when atleast 70% of the syllabus designed by BOS appears in MOOC platform for a particular course. OBE hand book has been prepared by the institutions and was distributed among the students. Teachers are directed to discuss on the Course Outcomes and Program Outcomes regularly to create awareness among the students on OBE. Collaborative learning Classes (CLC) has been mandated for all the classes to maintain student centric approach. CO-PO calculations and analysis were regularly done every year to as a part of OutCome based Education.

20.Distance education/online education:

Right now, we are running only regular programs in UG and PG in Engineering and in Management

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As the institution is autonomous from 2019-20 onwards, the curriculum has been designed by the institution through its Boards of Studies (BOS) and the academic regulations are modified strictly in accordance with the NEP-2020 and the Revised Academic Curriculum' of AP State Council of Higher Education (APSCHE). Timely addition of new laboratories/equipments have been done based on curricular requirements. New titles of text books for reference and text books for issue are added every year on the recommendations of the library committee. Based on the academic calendars advised by AICTE and State Government and the Affiliating University, detailed academic calendar for both odd and even semesters are being prepared. Internal Program Assessment Committee (IPAC) and Academic Monitoring Committee (AMC) conducts meetings with agenda items like coverage of the course content, identification of slow and fast learners, quality circles, COPO assessment etc and academic audit committee finally reviews and submits the report to the Head of the Institution for corrective measures. The faculty members use ICT tools in their lectures to make teaching learning process more effective. e-content and You tube content of the faculty will be shared to the students for clarity and self learning.

File Description	Documents
Upload relevant supporting document	No File Uploaded
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

With reference to the AICTE academic calendar and based on the admission counselling schedules followed by the Government, academic calendar for the institution will be prepared and published in the website and shared to the students in the form of circulars and official student whatsapp groups after getting approval of the Head of the Institution. Academic Calendar prepared by the institution ensures the minimum instruction days of 80-90 per semester and two slots in the semester to conduct internal examinations, one in the middle and another just before SEE schedule. Care will be exercised in sparing adequate number of instruction days before each of the internal series so that days spared are enough to complete the delivery of about two units for the 1st mid and remaining for 2nd mid examination.

File Description	Documents
Upload relevant supporting document	No File Uploaded
Link for Additional information	Nil

1.1.3 - Teachers of the Institution participate in A. All of the above following activities related to curriculum development and assessment of the affiliating University and/are represented on the following academic bodies during the year.
Academic council/BoS of Affiliating University
Setting of question papers for UG/PG programs
Design and Development of Curriculum for Add on/ certificate/ Diploma Courses
Assessment /evaluation process of the affiliating University

File Description	Documents
Details of participation of teachers in various bodies/activities provided as a response to the metric	View File

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The curriculum is reviewed in two meetings of every Board of Studies of various programs in 2022-23 on various aspects by the Institution includes these aspects namely Environmental Studies whose objective is to make the students to get awareness on environment, Biology for Engineers course is introduced in the curriculum to give basic understanding about the life process, animals, plant systems, bio-diversity etc., Constitution of India is a mandatory course introduced with the objective of imparting knowledge to the student community on human rights in India before Independence and after independence, and the framework of Indian constitution. Universal Human Values weighs three credits and common to all UG programs which deals with basic concepts of Social Harmony & National Integration. Soft skills, Principles of effective public speaking, Technical writing each with 2 credits are skill oriented courses which gives insight to enhance speaking, listening and creative skills.

Research Methodology and Intellectual Property Rights a professional core in PG curriculum includes various methods and models of research with basic concepts of copyright laws and patents. Community Service Project (CSP), to induce ethical initiatives which acts as a bridge between students and the people in community.

Any additional information	No File Uploaded
Number of seats filled against seats reserved (Data Template)	View File

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Instilling the counselling/ Mentor-Mentee system.

1. A group of 20 students are assigned to a faculty cum mentor. 2. Proforma for the counselling system has been developed with the three parts consisting of Personal details, Educational/Study habits and Social Ethics/Social Responsibilities. This proforma helps the mentor to identify the key abilities, strengths and weaknesses of the students for further mentoring. 3. The mentor regularly monitors the group of students assigned to them to check their academic progress and follow up in case of any deviations in academics.

4. The mentor maintains complete academic record of four years like attendance secured, marks scored in internal and external exams.

By this process, Slow/Struggled learners and Advanced achievers/fast learners can be identified by the mentor.

For slow learners, Organization of remedial and tutorial classes which comprises of the repetition of critical topics for better understanding, maintaining quality circles with struggled learners along with advanced learner. Attendance deviations and mid marks will be reported to the parents through phone calls. For advanced achievers, Participation in classroom activities, Department and college association activities such as seminars and quizzes and fast achievers are encouraged in innovative platforms like College Student council activities, hackathons etc.,

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
3181	244

File Description	Documents
Any additional information	No File Uploaded

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experiential Learning is achieved through Internship Programs, Hands-on-workshops, skill development programs, internship programs, social relevant projects, Community Service Projects, mini projects and major projects. AP state skill development corporation (APSSDC) conducts skill development programmes through external trainers on emerging technologies in the skill development labs established in the campus by the AP Govt. Hands-on-workshops/Labs, coding competitions by clubs are also being scheduled on the regular basis. The institution has associated with Microsoft certifications to learn online courses, attend proctored examinations online and through this nearly 1902 certificates for both students and faculty in the AY 2022-23. Students and faculty are encouraged to enrol and clear NPTEL online courses and 831 certificates were obtained by the faculty and student community. 2000 certifications for the students from Spoken Tutorial project in collaboration with IITB, was obtained in the year 2022-23. Collaborative learning practices are scheduled in the regular time tables itself to organize activities like jig-saw, Flipped classroom etc in the classroom. During Tutorial hours, Analytical Problems are given to students and the solutions are reviewed by the faculty. In the project work, four to five students as a group work on the solutions for an Engineering problems, analysis of case studies.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Microsoft Teams software is the official platform for virtual mode

of teaching by the Institution for all the students. Blended mode of teaching has been adopted as per UGC guidelines. Along with the traditional chalk and talk method, the faculty members who teach drawing subjects use specific software and graphic tablet for better visualization of the drawings for these subjects while teaching online. Animations/videos are also shown to the students for many subjects like basic sciences, Computer Networks, Digital Image Processing and Satellite Communications for better understanding. e-content for the courses can be downloaded from the Institute's website and YouTube videos of the courses have been uploaded in the faculty YouTube channels which is shared to the students to find it helpful while revising the course contents. SWAYAM web links for various curricular topics are suggested to students by the respective teachers. Institute has agreed with APSCHE to use its LMS portal to go through the e-content being posted by the subject experts and to facilitate students to register and complete virtual internships (experiential learning) and to register, learn the content and take proctored examinations for getting online certifications for the skills like Microsoft certifications and NPTEL.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

From the date of internal examination, the faculty has been notified to complete the evaluation within 4 days and allow all the students to verify their answer scripts and if not satisfied with the assessment, a student can discuss with the concerned course teacher and get justification. Once the internal marks are finalized, concerned course teacher, post the data in the required format in the examination branch and in the concerned Department computing systems, details of the internal marks will be displayed in notice boards and circulated through whatsapp groups, and this facilitates the students to respond on any error display and for further errata.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Students have an option to submit the grievance related to the internal examination assessment through offline in the form of a written statement. The grievance will be studied by the officer academic section and the Head of the Department jointly and will be redressed through the team within the time frame.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The course objectives, expected course outcomes and expected Program Outcomes are clearly defined through Department level committees like Internal Program Assessment Committee (IPAC), Academic Monitoring Committee (AMC) and the COs defined in the curriculum are once again reviewed, verified and modifications if any, are suggested by the BOS.

The Program Outcomes are displayed on the Department Notice Board and in the College Website: <http://aits-tpt.edu.in/> The faculty members are advised to ensure that the objectives of the particular course are fulfilled during the instruction period. For every subject, Syllabus and Course Outcomes are clearly specified by the course teachers to the students at the beginning of the semester and often during the lecture hours to strengthen the outcome based education. The Course Outcomes of the Laboratories are displayed inside the lab halls Laboratories, and also posted in the website.

In addition to this, the lesson plan of course contains the COs and the learning outcomes and each class is marked according to the learning outcomes. Course outcomes of laboratory courses are published in the respective laboratory and in the lab Manual.

File Description	Documents
Upload any additional information	No File Uploaded
Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Direct methods are provided through direct examinations against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to CIE and SEE question papers. Two Internal Examinations are conducted in a semester and the faculty records the performance of each student against course outcome. Direct Assessment for COs = University Examinations (70%) + Internal Examinations (30%). Indirect assessments of COs are done at semester end by collecting the survey forms from students on achievements of COs. CO Assessment = 90% of direct assessment + 10% of indirect assessment. If assessments did not reach the targets then action plan has to be devised to improve the attainments for the next semester. Else, targets have to be raised for the subject in next time when the course appears. The program outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct assessment = Average of all COs that are mapped to a particular PO. Indirect (RUBRICS) assessments are achieved by collecting student feedback on POs at the end of semester. PO Attainment at semester level = 80% of Direct assessment

+ 20% of CO attainment Final attainment at batch level = 80% from PO attainment + 20% from Exit Survey.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

As per UGC guidelines, RAC and RDC committees were constituted to

strengthen the research ecosystem in the institution. R & D committee, convenes meetings regularly to give alerts, share notifications for preparing funding proposals and provide technical assistance to the eligible faculty. The objectives of research committee is to encourage non doctoral faculty to register in to Ph.D. programme of their disciplines, ethical submission of research work by the faculty and students. The Centres of Excellence like Zensar Center of Excellence, Hexaware Segue, Ziroh labs and EPAM have stated in the campus to impart special skills on the emerging technologies to the students to get prospective careers. Interactions through Industry Interaction Cell prosper the students to get Internships, permissions for plant visits in their company. Entrepreneurship Innovations and Start-up Centre encourages the students and staff towards innovations, skilling programs and startups. AITS Business incubator is functional to support the idea of students and wannable entrepreneurs for funding to the agencies. AITS campus radio with an objective for reaching the students through a secured multi layer interactive platform to give the experience infotainment. College Newsletter and magazine publishes the content related to the Programs, events, creative talents, mega events etc.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Total Library Software System (TLSS) is full-featured Library software. It is windows-based licensed software. Modules of the

system include: Library Guidelines, Acquisition, Accession, Circulation, Members, Staff, Stock, OPAC and Reports. TLSS is fully-automated software and is implemented. The reports that can be generated are: Stock Checking & Verification Report, Annual report in order of Author/Subject/Publisher/Accession Number/Title etc., List of books, List of Reserved Books as on date, List of Issuable/Non-Issuable Books/Journals etc., Library Member List, Daily Transaction Reports and many other formats are also available. Digital library which is a part of the central library with intranet and internet access of 115 Mbps. Access to e-journal publications like IEEE, J-Gate, Delnet, N-LIST(Inflibnet), National Digital Library of India (NDL) and Knimbus and e-books of EBSCO (e-books Engineering core). There are 20 computer terminals to access internet/e-learning resources. The digital library also holds 150 general educational CD's of Engineering subjects.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

AITs, Tirupati has clear policy regarding IT and has been always in the forefront adopting technologies and providing consistent IT enabled service to all its stakeholder's. IT policy has been laid down by the institution. This policy establishes college-wide strategies and responsibilities for protecting the confidentiality, integrity and availability of the information assets that are accessed, created, managed/controlled by the college. The policy provides a framework on the use of IT infrastructure and also lays down Vision and Mission. IT also outlines a mechanism for establishing and maintaining the proper infrastructure in the campus and has appropriate budgetary provision for expansion and updating its IT facilities including wi-fi. Hardware Infrastructure Available: Computers: 959 Servers: 3 NO.'s Projectors : 30 NO.'s

Interactive Panel: 1 NO. Printers: 25 NO.'s Networking Infrastructure: LAN (1000 nodes) Wi-Fi network 25 access points Active and Passive components for networking Core Switch Firewall Security System, internet applications The Institution has campus network and Wi-Fi facility with around 1000 nodes. BSNL Hy-Fi Giga networks are available for faster and efficient connectivity. Old and outdated computers are upgraded/scrapped periodically and

consistent addition of computers, printers, LCDs and required software's is taking place.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The alumni association of the Institute started in the year 2011 with name AITS ALUMNI ASSOCIATION. It is an inspiration for student community in terms of their ethical values in supporting the parent institution. Alumni coordinators and senior faculty of all the Departments participate in all the annual alumni meetings on invitation and seek the alumni advice and support for the development of the institution in terms of curriculum in view of industrial needs and latest technology. Alumni feedback on the curriculum is taken every year in order to balance the present syllabus with global scenario. The constructive suggestions given by alumni will be taken in to consideration and placed in BOS meetings for approval. Strong social networks like facebook, twitter etc with the alumni has been established. Short term workshops and webinars were conducted by the office bearers of the alumni association. The Association is able to capture the internship opportunities, industrial training, Knowledge sharing in the form of lectures and webinars, placement opportunities to the students in the industry where alumni are working. The interested outgoing students may express their interest to join Alumni association through the form in the college website.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Governance of the institution is strictly in accordance with the Vision, Mission of the institution and institutional policies approved in accordance with strategic plan and development for the institution with the norms, standards, systems and practices laid down by AICTE, JNTUA, Government of Andhra Pradesh, Andhra Pradesh State Council for Higher Education along with the suggestions from GB and CAC. OBE Strategies like Peer Group Discussions, Collaborative Learning Classes (CLC's), Quality Circles are organized; Virtual classes, usage of APSCHE LMS portal for virtual internships and certification programs are conducted to enhance the academic performance of the students. Community Service Projects (CSP's) has become now a compulsory credited course by which the student is allowed to visit the community understand the problems, conduct the general socio- economic survey and the domain survey by integrating the best solutions with the communities and providing the needy service. Induction Programmes are organized to pre-final and final students by arranging expert lectures by technocrats, alumni and successful leaders from outside organizations to provide career guidance and to understand the industrial environments and work places. Prospective Alumni were invited to give lectures/seminars/webinars on the academic topic of their interest to inspire the young minds.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralized governance system with well defined inter relationships are available in the institute. Governing Body comprises of Chairman, Members nominated by trust, Secretary, Member nominated by JNTUA, Member nominated by AP government with Principal as member secretary. Principal is authorized signatory for all the sanctions and payments, subjected to the approval by the Honourable Secretary of the Institute. Budget approvals and utilization for the transactions are maintained in order. Budget is proposed individually by the Head(s) of the Department based on the academic requirements at the beginning of the academic year. After careful consideration, Principal after discussion with the Management approves the budget for all the departments. Utilization of the approved budget by each Department will be submitted to the principal for scrutiny at the end of the academic year. The Principal will have meetings with HOD's to discuss for the conduct of various Academic / Co-Curricular / Extra Curricular activities. Feedback monitoring committee constantly monitors the feedback of the curriculum, teaching learning process with the students and necessary actions will be taken in case of deviations. Antiragging committee composition reveal that a few students, a few non-teaching staff, teaching staff, a few from parents are also members in them.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Strategic plan is made by institution to accomplish holistic development of the stake holders. Academic Eminence: Revising course curriculum with high standards and industry based requirements, strong feedback mechanism from stakeholders. Innovative Research: Implementing Institute's Research Ethics Policy and encouragement to submit research ideas. Collaborations: Increasing the opportunities of the students through functional MOU's. Capacity building : Flourishing technology based skills for the faculty and staff in conducting Professional Development Programs. Integrated Governance: Updating the policies and procedures by amendments for increasing efficiency and effectiveness. Self reliability : Making the institute self sufficient financially for future

necessities. Sustainability: Harnessing the use of nonconventional energy resources. Integrated development: To design diversified activities for integrated development of the stake holders Social services: Encouraging faculty and students to take up the socially relevant projects in academics. Branding and Social media: Promoting institutional values, vision and mission statements at various places in and out of the campus. Effective usage of the social media and publishing newsletter and magazine. Infrastructure: Providing state-of-art laboratories, computational facilities, digitally equipped classrooms and library Based on the above strategic plan, specific procedures are adopted for maximizing admissions, infrastructure, placements to implement the outcome based education (OBE).

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Institution has Governing Body. It is a Policy making body of the Institution that meets frequently and discusses the agenda prepared by the promoters and the Principal. It reviews the performance of the institution and sees the status of implementation of decisions taken in the previous meeting and also approves the policy decisions. GB is responsible to study and finalize institute strategic plan, institutional policies, code of conduct, service rules, best practices, institutional distinctiveness etc. CAC/ academic regulations and reviewing the course compositions, course structures to bring them inline with NEP -2020 and the vision of the approval and affiliating bodies. Every BOS meet twice in a year to design the course structure ad course contents including the skill developing courses, Internships, mandatory MOOCs, CSP's etc as mentioned in academic regulations and approve such items. Finance committee meet twice in a year to consolidate the budget proposals submitted by the various sections/Departments of the institution and recommend the consolidated budget plans to the governing body for approval. Other nonstatutory committees will be meeting once in

three to four months and organizing events/activities with intended objectives.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

Sizable increment to the extent of Rs. 8000 is given to the faculty member if they get Doctoral Degree during their service in the Institute. The faculty member will be given promotion based on API, appraisal forms and up gradation of qualification during their service. Compensatory Casual Leaves (CCL's) for the faculty working during holidays were also provided. Valuation and university assignments are also considered as ON Duty/Academic Leave to the extent of two weeks in a year. Institute facilitates the faculty members to attend Professional Development Programs considering it as OD, and partial financial assistance will be granted. Maternity

leave is granted to woman employee for a total period of 6months out of which 1month paid leave will be considered. There is a provision of availability of doctor in campus and transport services for the patient in case of emergency. Few Staff wards are given fee concession in tuition fee payment towards their children fee based on their economic status. Working lunch for the bus crew, all eligible non- teaching staff are covered under EPF and ESI as per the act.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Major part of the financial inputs for the institution is through tuition fee only. By increasing the unit expenditure on students, the institution aims to improve the quality of Teaching-Learning environment and increasing the tuition fee revenues through proper submission of financial figures to the AP government. Tuition Fee fixation is done by Andhra Pradesh higher education regulatory and monitoring commission (APHERMC) based on past three years expenditure. Tapping the possibilities for contribution from Philanthropists /Non- Governmental bodies /Individuals by properly projecting the institute's long term vision and growth of the institute has been initiated. Alumni are motivated by convening meetings to contribute financially for the development of students by sponsoring various activities such as workshops, seminars, tech fest and etc. The institution has classified each Department as a separate cost centre and all the expenses incurred are debited. In the beginning of each year, every Department furnishes revenue and capital budget which will be reviewed and approved by the management and Governing Body. Budget is reviewed by Treasurer, Secretary and Principal on quarterly basis. The collected funds will be utilized on priority basis viz. salaries, infrastructures upgradation, facilities maintenance and for the conduct of few important activities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. Constitution and review of IPAC, AMC, CSC for effective monitoring of academic related activities. 2. Feedback analysis and corrective measures 3. Review and Revise of the best practices of the institution. 4. Institutional Distinctiveness framework of the Institution by brain storming session 5. Review of the question paper quality by two methods 6. Appraisal forms for the non teaching faculty with self analysis report

7. Vision and Mission of the Institute from its formation onwards.
9. Lecture series in collaboration with RDC and REC.

10 . Initiation of Multidisciplinary Research Discussion forums

11. Lectures on work etiquette and ethics. 12. Code of Conduct for the administrators, faculty, non teaching and students.

13. Encouraging students and faculty for MOOC certifications.

14. Student Proforma at the initial phase of joining to know about their basic details, educational and family background for effective counselling. 15. IQAC has been strictly verifying appraisal forms and revised the form with necessary inclusions.

16. Initiation and Progression of ABC ID s and NAD data for the students of the autonomous batch.

17. Review of the result analysis and Placements.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The Internal Quality Assurance Cell has the privilege to monitor and establish the quality standards in this Institution. Since its inception, IQAC has conducted many activities to ensure quality in education, research and empowering the students on innovation and research. The institution has formulated Quality Document of the college which provides delegation and decentralization policies with transparency by involving the students and faculty in various committees. IQAC coordinator has been one of the members in the committees like CAC, Results committee, RDC, REC, IEC, News letter and college magazine committee etc.,. The IQAC also conducts meetings with various committees every 3 months and reviews their progress. Tracing the Question Paper quality by using two methods ICTNOS (Innovative, Creative, Theoretical, Numerical, Objective and Subjective) and the second one is based on the Blooms taxonomy levels. Review of the IPAC committee which periodically monitors the Departmental activities and evaluates different parameters like Summarizing question paper quality, evaluating and attaining of program outcomes, arrangement of feedback response, evaluating the effectiveness of the program and proposing necessary changes. Feedback system, Student Satisfactory Surveys (SSS) and timely monitored along with the corrective measures taken has been thoroughly reviewed and monitored by IQAC.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Among the total number of students, 1130 are girls present on rolls on this institution, Similarly, out of 244 faculty members, 122 are lady teachers which is well above 50%. Senior lady teachers in all the Departments are appointed as female faculty advisors (FFA) for the issues pertaining to the girl students and for regular monitoring and counselling to instil proper attitude in the girls community. Awareness Sessions on women protection, safety and behaviour with responsibility with rights in the society and surroundings will be held every year by IQAC in association with Women Development Cell (WDC). Only lady-guards are deployed to secure and safeguard girls' hostel premises. Many lead positions of the administrative and academic bodies like CAC, IQAC, Examination Section, REC etc were given to the female faculty members. International Women's Day (IWD)- 2023 was held in a very majestic way by inviting legendary women to motivate the girl students. WEC, WPC and ICC have been functioning actively for the purpose of the fulfilment of empowering the safety of the girl students and female staff. A separate room is provided exclusively for girl students and lady faculty to take rest in case of health issues.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Since, this is a technical institution operating the equipments, computers, materials etc., and having dotted residential hostels in the campus, it is expected to get solid waste like papers, broken metallic sample pens, polythene bags, card boards, wooden pieces, PVC, concrete waste etc., in the campus and in the hostels vegetables waste, food waste and other kitchen waste. Hence, separate containers have been located to collect e-waste, solid waste, liquid waste and biodegradable waste. The metallic and e-scrap will be disposed as per our maintenance policy. More or less broken down computers, keyboards, electronic gadgets will be finely disposed to the scarp dealers once in every semester. Metallic waste, paper waste will have certain end value and hence it is collected through separate containers and given to the scrap dealers every year. Buffalo farms are available in the nearby villages and the owners will come to the hostels twice a day and collect food and vegetable waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The Institute has an NSS unit through which the students will

actively participate in various service activities like regular blood donation camps and plantation drives. The College also encourages the students to participate in various cultural activities like Annual day, Fresher's day and national level fests, NrityaAmeya, Miss Diva Talent Hunt, Sankranthi Sambaralu, where in the artistic talent among the students can be brought out. CSP's serve as a building pathway between the students and people in the community. As a part of curriculum, many projects were carried out in various local communities, suburbs, orphanages, schools etc. Institution arranged spiritual awareness sessions by ISKCON to gain the importance of spirituality and gain tolerance and harmony on the aspects of communal harmony. UHV has made a mandatory credited in the curriculum at for II UG programs with the objective of enhancing its psychological strength to maximize focus on ethical values in academics and career. Sessions with AICTE qualified faculty are also planned to imbibe the ethical and harmonious relationships among the students. Faculty and students are permitted to go to their mosques for prayers during Ramzan season and also separate space is provided in the campus itself for their regular prayers.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

One course called Constitution of India has been introduced in AK20 regulations applicable for the batches admitted from 2020 admitted batch onwards, both in UG and PG has non credited mandatory course with an internal evaluation. The outcomes of course are 1. Discuss the growth of the demand for civil rights in India for the bulk of Indians before the arrival of Gandhi in Indian politics. 2. Discuss the intellectual origins of the framework of argument that informed the conceptualization of social reforms leading to revolution in India. 3. Discuss the circumstances surrounding the foundation of the Congress Socialist Party [CSP] under the leadership of Jawaharlal Nehru and the eventual failure of the proposal of direct elections through adult suffrage in the Indian Constitution. 4. Discuss the passage of the Hindu Code Bill of 1956. 5. Understand the premises informing the twin themes of liberty and freedom from a civil rights perspective.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Independence Day celebrations was held at AITS Tirupati campus on 15th August 2023 with Sri. G. Chandrasekhar, Ex.Colonel, as the chief guest who hoisted the flag and addressed the students with his experiences during army. The Department of Civil Engineering at Annamacharya Institute of Technology & Sciences, Tirupati, celebrated Engineer's Day on 15-09-2022 in the E-classroom. Principal delivered a speech on the up gradation of technologies and the handling of innovative projects to students. Mr. Suresh Kumar, DEE., APMSIDS department, visited the project expo made by the students.

Annamacharya Institute of technology and sciences Tirupati has conducted "National Mathematics day" on 22-12-2022 in remembrance with world-famous Legendary Mathematician Srinivasa Ramanujan birthday. Republic Day was celebrated in AITS, Tirupati on 26-06-2023 Principal sir addressed on the importance of republic day and created an awareness on the special schemes like Pradhan Mantri Suraksha Bima Yojana, Pradhan Mantri Jan dhan Yojana, Atal Pension Yojana, Make in India etc as declared by the Central Government. National Science day was celebrated in the campus on 28th February 2023. Principal spoke about importance of National Science Day, Dr. K. Ramya, Assistant Professor of Physics explained about Raman effect and Science in everyday life.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice - 1:

Counselling / Mentor-Mentee System

Objectives:

- To help the student know himself better about his interests, abilities, aptitudes and opportunities

The Context:

Diverse backgrounds, academic standards, language barriers, financial constraints, parents abroad

The Practice:

Mentor-mentee system and effective counselling proforma with academic and personal details is in practice

Obstacles faced:

- Regular monitoring and counselling may be hectic sometimes

Evidence of Success:

- Able to trace out the abnormal activities of the students and caution them through words and actions (whenever required)

Best Practice - 2:

Outcome based Education

Objectives:

- To induce student centric learning and enhance performance based education

The Context:

- OBE characterizes the students to apply their new knowledge in a real-world context, rather than on being able to recite information.

The Practice:

Preparation of Well defined CO and PO for each program, display of PO s and PSOs in campus, Calculation and analysis of CO-PO

Obstacles faced:

- While calculating CO-PO for large samples, chances are there to get errors in the numerical and majority of them need to be trained for exercising this process

Evidence of Success:

- CO-PO calculations and analysis of each semester is done and checked in academic audit

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college aims that the locational distinctiveness establishment of the academic buildings and the residential hostels are located in the foothills of Seshachala hills (Tirumala hills), designating the students and the faculty to work in divine and peaceful atmosphere. For holistic development of the students, the multidimensional educational model has been followed: Intellectual: Designing the OBE oriented curriculum, Updating and revising the curriculum to meet the global requirements, Visualising the career opportunities and Exploration of Knowledge through various modes of learning/Research like Nptel, Microsoft certification, community service projects etc., Innovation and Entrepreneurship through EISC, MSME business incubator, MOU's etc, student clubs to refine their practical and creative skills etc. Quality circles to inculcate the team culture among the students and to discuss the real time problems and ways of approach to solve or dissolve them. Physical education of the students are lead by regular sports, competitions and yoga activities. Societal education includes Blood Donation, Vaccination drive, Drug awareness program, Motivational programs for girl students by Women Empowerment/Protection cell. Emotional education is elevated by Mentor-Mentee counselling system, UHV sessions which is a part of 3 credit course which has been introduced in the curriculum to develop positive emotions in the students.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As the institution is autonomous from 2019-20 onwards, the curriculum has been designed by the institution through its Boards of Studies (BOS) and the academic regulations are modified strictly in accordance with the NEP-2020 and the Revised Academic Curriculum' of AP State Council of Higher Education (APSCHE). Timely addition of new laboratories/equipments have been done based on curricular requirements. New titles of text books for reference and text books for issue are added every year on the recommendations of the library committee. Based on the academic calendars advised by AICTE and State Government and the Affiliating University, detailed academic calendar for both odd and even semesters are being prepared. Internal Program Assessment Committee (IPAC) and Academic Monitoring Committee (AMC) conducts meetings with agenda items like coverage of the course content, identification of slow and fast learners, quality circles, COPO assessment etc and academic audit committee finally reviews and submits the report to the Head of the Institution for corrective measures. The faculty members use ICT tools in their lectures to make teaching learning process more effective. e-content and You tube content of the faculty will be shared to the students for clarity and self learning.

File Description	Documents
Upload relevant supporting document	No File Uploaded
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

With reference to the AICTE academic calendar and based on the admission counselling schedules followed by the Government, academic calendar for the institution will be prepared and published in the website and shared to the students in the form

of circulars and official student whatsapp groups after getting approval of the Head of the Institution. Academic Calendar prepared by the institution ensures the minimum instruction days of 80-90 per semester and two slots in the semester to conduct internal examinations, one in the middle and another just before SEE schedule. Care will be exercised in sparing adequate number of instruction days before each of the internal series so that days spared are enough to complete the delivery of about two units for the 1st mid and remaining for 2nd mid examination.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The curriculum is reviewed in two meetings of every Board of Studies of various programs in 2022-23 on various aspects by the Institution includes these aspects namely Environmental Studies whose objective is to make the students to get awareness on environment, Biology for Engineers course is introduced in the curriculum to give basic understanding about the life process,

animals, plant systems, bio-diversity etc., Constitution of India is a mandatory course introduced with the objective of imparting knowledge to the student community on human rights in India before Independence and after independence, and the framework of Indian constitution. Universal Human Values weighs three credits and common to all UG programs which deals with basic concepts of Social Harmony & National Integration. Soft skills, Principles of effective public speaking, Technical writing each with 2 credits are skill oriented courses which gives insight to enhance speaking, listening and creative skills.

Research Methodology and Intellectual Property Rights a professional core in PG curriculum includes various methods and models of research with basic concepts of copyright laws and patents. Community Service Project (CSP), to induce ethical initiatives which acts as a bridge between students and the people in community.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Instilling the counselling/ Mentor-Mentee system.

1. A group of 20 students are assigned to a faculty cum mentor.

2. Proforma for the counselling system has been developed with the three parts consisting of Personal details, Educational/Study habits and Social Ethics/Social Responsibilities. This proforma helps the mentor to identify the key abilities, strengths and weaknesses of the students for further mentoring. 3. The mentor regularly monitors the group of students assigned to them to check their academic progress and follow up in case of any deviations in academics.

4. The mentor maintains complete academic record of four years like attendance secured, marks scored in internal and external exams.

By this process, Slow/Struggled learners and Advanced achievers/fast learners can be identified by the mentor.

For slow learners, Organization of remedial and tutorial classes which comprises of the repetition of critical topics for better understanding, maintaining quality circles with struggled learners along with advanced learner. Attendance deviations and mid marks will be reported to the parents through phone calls. For advanced achievers, Participation in classroom activities, Department and college association activities such as seminars and quizzes and fast achievers are encouraged in innovative platforms like College Student council activities, hackathons etc.,

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem

solving methodologies are used for enhancing learning experiences

Experiential Learning is achieved through Internship Programs, Hands-on-workshops, skill development programs, internship programs, social relevant projects, Community Service Projects, mini projects and major projects. AP state skill development corporation (APSSDC) conducts skill development programmes through external trainers on emerging technologies in the skill development labs established in the campus by the AP Govt. Hands-on-workshops/Labs, coding competitions by clubs are also being scheduled on the regular basis. The institution has associated with Microsoft certifications to learn online courses, attend proctored examinations online and through this nearly 1902 certificates for both students and faculty in the AY 2022-23. Students and faculty are encouraged to enrol and clear NPTEL online courses and 831 certificates were obtained by the faculty and student community. 2000 certifications for the students from Spoken Tutorial project in collaboration with IITB, was obtained in the year 2022-23. Collaborative learning practices are scheduled in the regular time tables itself to organize activities like jig-saw, Flipped classroom etc in the classroom. During Tutorial hours, Analytical Problems are given to students and the solutions are reviewed by the faculty. In the project work, four to five students as a group work on the solutions for an Engineering problems, analysis of case studies.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Microsoft Teams software is the official platform for virtual mode of teaching by the Institution for all the students. Blended mode of teaching has been adopted as per UGC guidelines. Along with the traditional chalk and talk method, the faculty members who teach drawing subjects use specific software and graphic tablet for better visualization of the drawings for these subjects while teaching online. Animations/videos are also shown to the students for many subjects like basic sciences, Computer Networks, Digital Image Processing and Satellite Communications for better understanding. e-content for the courses can be downloaded from the Institute's website and You tube videos of

the courses have been uploaded in the faculty you tube channels which is shared to the students to find it helpful while revising the course contents. SWAYAM web links for various curricular topics are suggested to students by the respective teachers. Institute has agreed with APSCHE to use its LMS portal to go through the e-content being posted by the subject experts and to facilitate students to register and complete virtual internships (experiential learning) and to register, learn the content and take proctored examinations for getting online certifications for the skills like Microsoft certifications and NPTEL.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

From the date of internal examination, the faculty has been notified to complete the evaluation within 4 days and allow all the students to verify their answer scripts and if not satisfied with the assessment, a student can discuss with the concerned course teacher and get justification. Once the internal marks are finalized, concerned course teacher, post the data in the required format in the examination branch and in the concerned Department computing systems, details of the internal marks will be displayed in notice boards and circulated through whatsapp groups, and this facilitates the students to respond on any error display and for further errata.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The course objectives, expected course outcomes and expected Program Outcomes are clearly defined through Department level committees like Internal Program Assessment Committee (IPAC), Academic Monitoring Committee (AMC) and the COs defined in the curriculum are once again reviewed, verified and modifications if any, are suggested by the BOS.

The Program Outcomes are displayed on the Department Notice Board and in the College Website: <http://aits-tpt.edu.in/> The faculty

members are advised to ensure that the objectives of the particular course are fulfilled during the instruction period. For every subject, Syllabus and Course Outcomes are clearly specified by the course teachers to the students at the beginning of the semester and often during the lecture hours to strengthen the outcome based education. The Course Outcomes of the Laboratories are displayed inside the lab halls Laboratories, and also posted in the website.

In addition to this, the lesson plan of course contains the COs and the learning outcomes and each class is marked according to the learning outcomes. Course outcomes of laboratory courses are published in the respective laboratory and in the lab Manual.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Direct methods are provided through direct examinations against measurable course outcomes. The knowledge and skills described by the course outcomes are mapped to CIE and SEE question papers. Two Internal Examinations are conducted in a semester and the faculty records the performance of each student against course outcome. Direct Assessment for COs = University Examinations (70%) + Internal Examinations (30%). Indirect assessments of COs are done at semester end by collecting the survey forms from students on achievements of COs. CO Assessment = 90% of direct assessment + 10% of indirect assessment. If assessments did not reach the targets then action plan has to be devised to improve the attainments for the next semester. Else, targets have to be raised for the subject in next time when the course appears. The program outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods. Direct assessment = Average of all COs that are mapped to a particular PO. Indirect (RUBRICS) assessments are achieved by collecting student feedback on POs at the end of semester. PO Attainment at semester level = 80% of Direct assessment + 20% of CO attainment

Final attainment at batch level = 80% from PO attainment + 20% from Exit Survey.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

As per UGC guidelines, RAC and RDC committees were constituted to

strengthen the research ecosystem in the institution. R & D committee, convenes meetings regularly to give alerts, share notifications for preparing funding proposals and provide technical assistance to the eligible faculty. The objectives of research committee is to encourage non doctoral faculty to register in to Ph.D. programme of their disciplines, ethical submission of research work by the faculty and students. The Centres of Excellence like Zensar Center of Excellence, Hexaware Segue, Ziroh labs and EPAM have stated in the campus to impart special skills on the emerging technologies to the students to get prospective careers. Interactions through Industry Interaction Cell prosper the students to get Internships, permissions for plant visits in their company. Entrepreneurship Innovations and Start-up Centre encourages the students and staff towards innovations, skilling programs and startups. AITS Business incubator is functional to support the idea of students and wannable entrepreneurs for funding to the agencies. AITS campus radio with an objective for reaching the students through a secured multi layer interactive platform to give the experience infotainment. College Newsletter and magazine publishes the content related to the Programs, events, creative talents, mega events etc.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institution has sufficient number of well-furnished, well-ventilated, spacious class rooms for conducting theory classes. Better aspect ratio is maintained for proper visibility of black board and audibility. All the Departments are provided with sufficient number of LCD projectors, Wi-Fi and LAN enabled internet connectivity. All laboratories are well equipped, and well maintained not only for carrying out curriculum oriented practicals, but also for learning beyond coursework. Funded Skill Development Labs - AP Government through its APSSDC established two labs viz., i) AP CM's Skill Excellence Centre, ii) Dassaults Design Computing Lab of worth Rs.1 Crore. iii) Unmanned Aerial Technology (UAV), Drone Technology lab where training has been

given to the faculty and the students on the fundamentals of aviation to the flying a drone. A/C Auditorium with 800 seating capacity with built-in audio- visual system. Conference hall with a seating capacity 40 for the official meetings etc and e-classroom with 150 seating capacity for conducting seminars, lectures etc. Interactive Panel featured with Touch Panel, Screen Sharing, Audio System is utilized for campus recruitment. The central library is equipped with adequate infrastructure, internet facility for the usage browsing educational content and videos along with thesis, reports and reference books.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The Institute is committed to create a balanced atmosphere of academic, cultural and sports activities for the overall personality development of its students. Play grounds are available for outdoor games like Cricket, Volley ball, Tennis and Throw ball and indoor games like Chess, Caroms etc, are provided to students in the college campus. Annual Sports Day 2023 was conducted by Annamacharya Institute of Technology and Sciences, (Autonomous) Tirupati on 19th May 2023. Prof. KSMS RaghavaRao, Registrar, IIT Tirupati graced the occasion as honourable chief guest. Prizes were distributed to the runners and winners of various games and sports held by the dignitaries. College encourages the students to practice gym after college hours. The Institute organizes yoga classes for the student and Institute takes support from ISKCON to conduct spiritual awareness programs. Telugu Ammayi Contest was organized by Right Times Media in association with Kalaparivaar-AITS and IQAC-AITS on 4th January 2023 for girl students. The screening was done based on the activities like Traditional Appearance and diverse talents. AITS- Kalaparivaar organized "Sankranthi Sambaralu" on 13th January 2023. Management. Beauty with brains is the outcome of "MISS DIVA Talent Hunt 2022", organized on 21 st January 2023 under WPC and IQAC.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Total Library Software System (TLSS) is full-featured Library software. It is windows-based licensed software. Modules of the

system include: Library Guidelines, Acquisition, Accession, Circulation, Members, Staff, Stock, OPAC and Reports. TLSS is fully-automated software and is implemented. The reports that can be generated are: Stock Checking & Verification Report, Annual report in order of Author/Subject/Publisher/Accession Number/Title etc., List of books, List of Reserved Books as on date, List of Issuable/Non-Issuable Books/Journals etc., Library Member List, Daily Transaction Reports and many other formats are also available. Digital library which is a part of the central library with intranet and internet access of 115 Mbps. Access to e-journal publications like IEEE, J-Gate, Delnet, N-LIST(Inflibnet), National Digital Library of India (NDL) and Knimbus and e-books of EBSCO (e-books Engineering core). There are 20 computer terminals to access internet/e-learning resources. The digital library also holds 150 general educational CD's of Engineering subjects.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

AITTS, Tirupati has clear policy regarding IT and has been always in the forefront adopting technologies and providing consistent IT enabled service to all its stakeholder's. IT policy has been laid down by the institution. This policy establishes college-wide strategies and responsibilities for protecting the confidentiality, integrity and availability of the information assets that are accessed, created, managed/controlled by the college. The policy provides a framework on the use of IT infrastructure and also lays down Vision and Mission. IT also outlines a mechanism for establishing and maintaining the proper infrastructure in the campus and has appropriate budgetary provision for expansion and updating its IT facilities including wi-fi. Hardware Infrastructure Available: Computers: 959 Servers: 3 NO.'s Projectors : 30 NO.'s

Interactive Panel: 1 NO. Printers: 25 NO.'s Networking Infrastructure: LAN (1000 nodes) Wi-Fi network 25 access points Active and Passive components for networking Core Switch Firewall Security System, internet applications The Institution has campus network and Wi-Fi facility with around 1000 nodes. BSNL Hy-Fi Giga networks are available for faster and efficient

connectivity. Old and outdated computers are upgraded/scrapped periodically and consistent addition of computers, printers, LCDs and required software's is taking place.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The institute has adequate number of computers with internet in various location points like library, departments, examination section, cells, offices, e-classroom, auditorium etc. The central computer lab connected with LAN is open for the students which will be maintained by the allotted staff and technicians. System analyst takes care of all IT maintenance services. Calibration of the equipment/instruments is taken up by the respective Departments frequently and in case of any damage/deviation, necessary steps are initiated by calling the technicians from the supplier. The Blackboard, furniture and electrical appliances in the class room are checked regularly and replaced if needed by Facilities Service Section (FSS) head. Budget allocation for the books, arrangement of the books, books to be bounded in case of wear and tear will be supervised by Librarian and staff. Transportation in- charge provide proper maintenance to the college buses, clearance certificates, regular checking of the condition of the vehicles with experienced drivers. Electrical Maintenance, Plumbing maintenance, gardening, house keeping etc will be under the supervision of the facilities service section engineer. Regular log books are maintained for all the facilities and Institute have standard equipment policy and maintenance procedures.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student is an important stakeholder of the institution and hence are nominated as members of various committees. Student Representative Committee is comprised of Lady Representative (LR)

and Class Representative (CR) from each section to coordinate various activities as well as to discuss any Departmental and academic issues. College Student Council (CSC) is formed at the beginning of every academic year with CR's and LR's of various sections for all the programs. Regular CSC meetings will be held to discuss the issues pertaining to teaching-learning system. Anti- Ragging Committee is constituted at the beginning of every academic year with members as Principal, Head(s) of Departments, Senior Faculty Members and students representing II, III and IV years respectively. Student representative has been found in nonstatutory committees like IQAC, IEC, Sports and Library Committees. Student Volunteers are also part of NSS unit to serve the community. Professional Societies like ISTE, IETE and CSI chapters are well maintained with registration of the interested students. Society of civil Engineering (SOC)

Clubs like C programming, Database Technologies Club (DTC), Java club, AI ML club, Python and Coding clubs have student representation/ active participation for their academic skills whereas Oratory club, Literary club.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The alumni association of the Institute started in the year 2011 with name AITS ALUMNI ASSOCIATION. It is an inspiration for student community in terms of their ethical values in supporting the parent institution. Alumni coordinators and senior faculty of all the Departments participate in all the annual alumni meetings on invitation and seek the alumni advice and support for the development of the institution in terms of curriculum in view of industrial needs and latest technology. Alumni feedback on the curriculum is taken every year in order to balance the present syllabus with global scenario. The constructive suggestions given by alumni will be taken in to consideration and placed in BOS meetings for approval. Strong social networks like facebook, twitter etc with the alumni has been established. Short term workshops and webinars were conducted by the office bearers of the alumni association. The Association is able to capture the internship opportunities, industrial training, Knowledge sharing in the form of lectures and webinars, placement opportunities to the students in the industry where alumni are working. The interested outgoing students may express their interest to join Alumni association through the form in the college website.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Governance of the institution is strictly in accordance with the Vision, Mission of the institution and institutional policies approved in accordance with strategic plan and development for the institution with the norms, standards, systems and practices laid down by AICTE, JNTUA, Government of Andhra Pradesh, Andhra Pradesh State Council for Higher Education along with the suggestions from GB and CAC. OBE Strategies like Peer Group Discussions, Collaborative Learning Classes (CLC's), Quality Circles are organized; Virtual classes, usage of APSCHE LMS portal for virtual internships and certification programs are conducted to enhance the academic performance of the students. Community Service Projects (CSP's) has become now a compulsory credited course by which the student is allowed to visit the community understand the problems, conduct the general socio-economic survey and the domain survey by integrating the best solutions with the communities and providing the needy service. Induction Programmes are organized to pre-final and final students by arranging expert lectures by technocrats, alumni and successful leaders from outside organizations to provide career guidance and to understand the industrial environments and work places. Prospective Alumni were invited to give lectures/seminars/webinars on the academic topic of their interest to inspire the young minds.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralized governance system with well defined inter relationships are available in the institute. Governing Body comprises of Chairman, Members nominated by trust, Secretary, Member nominated by JNTUA, Member nominated by AP government with Principal as member secretary. Principal is authorized signatory for all the sanctions and payments, subjected to the approval by the Honourable Secretary of the Institute. Budget approvals and utilization for the transactions are maintained in order. Budget is proposed individually by the Head(s) of the Department based on the academic requirements at the beginning of the academic year. After careful consideration, Principal after discussion with the Management approves the budget for all the departments. Utilization of the approved budget by each Department will be submitted to the principal for scrutiny at the end of the academic year. The Principal will have meetings with HOD's to discuss for the conduct of various Academic / Co-Curricular / Extra Curricular activities. Feedback monitoring committee constantly monitors the feedback of the curriculum, teaching learning process with the students and necessary actions will be taken in case of deviations. Antiragging committee composition reveal that a few students, a few non-teaching staff, teaching staff, a few from parents are also members in them.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Strategic plan is made by institution to accomplish holistic development of the stake holders. Academic Eminence: Revising course curriculum with high standards and industry based requirements, strong feedback mechanism from stakeholders. Innovative Research: Implementing Institute's Research Ethics Policy and encouragement to submit research ideas. Collaborations: Increasing the opportunities of the students through functional MOU's. Capacity building : Flourishing technology based skills for the faculty and staff in conducting Professional Development Programs. Integrated Governance:

Updating the policies and procedures by amendments for increasing efficiency and effectiveness. Self reliability : Making the institute self sufficient financially for future necessities. Sustainability: Harnessing the use of nonconventional energy resources. Integrated development: To design diversified activities for integrated development of the stake holders Social services: Encouraging faculty and students to take up the socially relevant projects in academics. Branding and Social media: Promoting institutional values, vision and mission statements at various places in and out of the campus. Effective usage of the social media and publishing newsletter and magazine. Infrastructure: Providing state-of-art laboratories, computational facilities, digitally equipped classrooms and library Based on the above strategic plan, specific procedures are adopted for maximizing admissions, infrastructure, placements to implement the outcome based education (OBE).

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Institution has Governing Body. It is a Policy making body of the Institution that meets frequently and discusses the agenda prepared by the promoters and the Principal. It reviews the performance of the institution and sees the status of implementation of decisions taken in the previous meeting and also approves the policy decisions. GB is responsible to study and finalize institute strategic plan, institutional policies, code of conduct, service rules, best practices, institutional distinctiveness etc. CAC/ academic regulations and reviewing the course compositions, course structures to bring them inline with NEP -2020 and the vision of the approval and affiliating bodies. Every BOS meet twice in a year to design the course structure ad course contents including the skill developing courses, Internships, mandatory MOOCs, CSP's etc as mentioned in academic regulations and approve such items. Finance committee meet twice

in a year to consolidate the budget proposals submitted by the various sections/Departments of the institution and recommend the consolidated budget plans to the governing body for approval. Other nonstatutory committees will be meeting once in three to four months and organizing events/activities with intended objectives.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Sizable increment to the extent of Rs. 8000 is given to the faculty member if they get Doctoral Degree during their service in the Institute. The faculty member will be given promotion based on API, appraisal forms and up gradation of qualification during their service. Compensatory Casual Leaves (CCL's) for the faculty working during holidays were also provided. Valuation and

university assignments are also considered as ON Duty/Academic Leave to the extent of two weeks in a year. Institute facilitates the faculty members to attend Professional Development Programs considering it as OD, and partial financial assistance will be granted. Maternity leave is granted to woman employee for a total period of 6months out of which 1month paid leave will be considered. There is a provision of availability of doctor in campus and transport services for the patient in case of emergency. Few Staff wards are given fee concession in tuition fee payment towards their children fee based on their economic status. Working lunch for the bus crew, all eligible non-teaching staff are covered under EPF and ESI as per the act.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

An effective performance management system plays a crucial role in managing the organization in an efficient manner. PBAS consists of category 1 : Teaching, Learning and Evaluation related activities, Category 2: Co-curricular, extension and

professional development related activities, Category 3: Research and Academic contributions, Category 4: Any others Filled in the prescribed format is assessed by the Department assessor/Department HOD scrutinized by the scrutiny. These scores are used for the award of career advancements to faculty members and for promotion to next higher position.

A separate form for the non teaching faculty has been designed with the preliminary details like job description and additional qualifications acquired (if any) in the academic year. Improvement in the professional competence workshops/seminars attended by the staff; Participation in the corporate life which includes the organizing or participating members in various committees and examination responsibilities held. A questionnaire report of 15 questions that allows the staff to self-analyse themselves in the aspects of professionalism and ethics in the institution.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Major part of the financial inputs for the institution is through tuition fee only. By increasing the unit expenditure on students, the institution aims to improve the quality of Teaching-Learning environment and increasing the tuition fee revenues through proper submission of financial figures to the AP government. Tuition Fee fixation is done by Andhra Pradesh higher education regulatory and monitoring commission (APHERMC) based on past three years expenditure. Tapping the possibilities for contribution from Philanthropists /Non- Governmental bodies /Individuals by properly projecting the institute's long term vision and growth of the institute has been initiated. Alumni are motivated by convening meetings to contribute financially for the development of students by sponsoring various activities such as workshops, seminars, tech fest and etc. The institution has classified each Department as a separate cost centre and all the expenses incurred are debited. In the beginning of each year, every Department furnishes revenue and capital budget which will be reviewed and approved by the management and Governing Body. Budget is reviewed by Treasurer, Secretary and Principal on

quarterly basis. The collected funds will be utilized on priority basis viz. salaries, infrastructures upgradation, facilities maintenance and for the conduct of few important activities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. Constitution and review of IPAC, AMC, CSC for effective monitoring of academic related activities.
2. Feedback analysis and corrective measures
3. Review and Revise of the best practices of the institution.
4. Institutional Distinctiveness framework of the Institution by brain storming session
5. Review of the question paper quality by two methods
6. Appraisal forms for the non teaching faculty with self analysis report
7. Vision and Mission of the Institute from its formation onwards.
9. Lecture series in collaboration with RDC and REC.
- 10 . Initiation of Multidisciplinary Research Discussion forums
11. Lectures on work etiquette and ethics.
12. Code of Conduct for the administrators, faculty, non teaching and students.
13. Encouraging students and faculty for MOOC certifications.
14. Student Proforma at the initial phase of joining to know about their basic details, educational and family background for effective counselling.
15. IQAC has been strictly verifying appraisal forms and revised the form with necessary inclusions.
16. Initiation and Progression of ABC ID s and NAD data for the students of the autonomous batch.
17. Review of the result analysis and Placements.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The Internal Quality Assurance Cell has the privilege to monitor and establish the quality standards in this Institution. Since its inception, IQAC has conducted many activities to ensure quality in education, research and empowering the students on innovation and research. The institution has formulated Quality Document of the college which provides delegation and decentralization policies with transparency by involving the students and faculty in various committees. IQAC coordinator has been one of the members in the committees like CAC, Results committee, RDC, REC, IEC, News letter and college magazine committee etc.,. The IQAC also conducts meetings with various committees every 3 months and reviews their progress. Tracing the Question Paper quality by using two methods ICTNOS (Innovative, Creative, Theoretical, Numerical, Objective and Subjective) and the second one is based on the Blooms taxonomy levels. Review of the IPAC committee which periodically monitors the Departmental activities and evaluates different parameters like Summarizing question paper quality, evaluating and attaining of program outcomes, arrangement of feedback response, evaluating the effectiveness of the program and proposing necessary changes. Feedback system, Student Satisfactory Surveys (SSS) and timely monitored along with the corrective measures taken has been thoroughly reviewed and monitored by IQAC.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Among the total number of students, 1130 are girls present on rolls on this institution, Similarly, out of 244 faculty members, 122 are lady teachers which is well above 50%. Senior lady teachers in all the Departments are appointed as female faculty advisors (FFA) for the issues pertaining to the girl students and for regular monitoring and counselling to instil proper attitude in the girls community. Awareness Sessions on women protection, safety and behaviour with responsibility with rights in the society and surroundings will be held every year by IQAC in association with Women Development Cell (WDC). Only lady-guards are deployed to secure and safeguard girls' hostel premises. Many lead positions of the administrative and academic bodies like CAC, IQAC, Examination Section, REC etc were given to the female faculty members. International Women's Day (IWD)- 2023 was held in a very majestic way by inviting legendary women to motivate the girl students. WEC, WPC and ICC have been functioning actively for the purpose of the fulfilment of empowering the safety of the girl students and female staff. A separate room is provided exclusively for girl students and lady faculty to take rest in case of health issues.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Since, this is a technical institution operating the equipments, computers, materials etc., and having dotted residential hostels in the campus, it is expected to get solid waste like papers, broken metallic sample pens, polythene bags, card boards, wooden pieces, PVC, concrete waste etc., in the campus and in the hostels vegetables waste, food waste and other kitchen waste. Hence, separate containers have been located to collect e-waste, solid waste, liquid waste and biodegradable waste. The metallic and e-scrap will be disposed as per our maintenance policy. More or less broken down computers, keyboards, electronic gadgets will be finely disposed to the scarp dealers once in every semester. Metallic waste, paper waste will have certain end value and hence it is collected through separate containers and given to the scrap dealers every year. Buffalo farms are available in the nearby villages and the owners will come to the hostels twice a day and collect food and vegetable waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The Institute has an NSS unit through which the students will actively participate in various service activities like regular blood donation camps and plantation drives. The College also encourages the students to participate in various cultural activities like Annual day, Fresher's day and national level fests, NrityaAmeya, Miss Diva Talent Hunt, Sankranthi Sambaralu, where in the artistic talent among the students can be brought out. CSP's serve as a building pathway between the students and people in the community. As a part of curriculum, many projects were carried out in various local communities, suburbs, orphanages, schools etc. Institution arranged spiritual awareness sessions by ISKCON to gain the importance of spirituality and gain tolerance and harmony on the aspects of communal harmony. UHV has made a mandatory credited in the curriculum at for II UG programs with the objective of enhancing its psychological strength to maximize focus on ethical values in academics and career. Sessions with AICTE qualified faculty are also planned to imbibe the ethical and harmonious relationships among the students. Faculty and students are permitted to go to their mosques for prayers during Ramzan season and also separate space is provided in the campus itself for their regular prayers.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice - 1:

Counselling / Mentor-Mentee System

Objectives:

- To help the student know himself better about his interests, abilities, aptitudes and opportunities

The Context:

Diverse backgrounds, academic standards, language barriers, financial constraints, parents abroad

The Practice:

Mentor-mentee system and effective counselling proforma with academic and personal details is in practice

Obstacles faced:

- Regular monitoring and counselling may be hectic sometimes

Evidence of Success:

- Able to trace out the abnormal activities of the students and caution them through words and actions (whenever required)

Best Practice - 2:

Outcome based Education

Objectives:

- To induce student centric learning and enhance performance based education

The Context:

- OBE characterizes the students to apply their new knowledge in a real-world context, rather than on being able to recite information.

The Practice:

Preparation of Well defined CO and PO for each program, display of PO s and PSOs in campus, Calculation and analysis of CO-PO

Obstacles faced:

- While calculating CO-PO for large samples, chances are there to get errors in the numerical and majority of them need to be trained for exercising this process

Evidence of Success:

- CO-PO calculations and analysis of each semester is done and checked in academic audit

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college aims that the locational distinctiveness establishment of the academic buildings and the residential hostels are located in the foothills of Seshachala hills (Tirumala hills), designating the students and the faculty to work in divine and peaceful atmosphere. For holistic development of the students, the multidimensional educational model has been followed: Intellectual: Designing the OBE oriented curriculum, Updating and revising the curriculum to meet the global requirements, Visualising the career opportunities and Exploration of Knowledge through various modes of learning/Research like Nptel, Microsoft certification, community service projects etc., Innovation and Entrepreneurship through EISC, MSME business incubator, MOU's etc, student clubs to refine their practical and creative skills etc. Quality circles to inculcate the team culture among the students and to discuss the real time problems and ways of approach to solve or dissolve them. Physical education of the students are lead by regular sports, competitions and yoga activities. Societal education includes Blood Donation, Vaccination drive, Drug awareness program, Motivational programs for girl students by Women Empowerment/Protection cell. Emotional education is elevated by Mentor-Mentee counselling system, UHV sessions which is a part of 3 credit course which has been introduced in the curriculum to develop positive emotions in the students.
