

Society of Civil Engineers

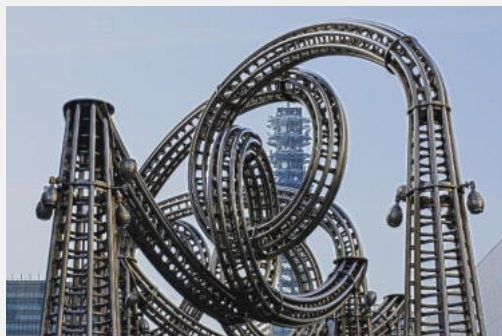

Vision

- To achieve excellence in the field of civil engineering with professional competency.

Mission

- Provide congenial learning-teaching process for holistic development.
- Upgrade the facilities to meet curriculum needs.
- Conduct Industry-Institute interactions to educate learners.
- Enhance the research to meet the societal needs.

The Civil Engineering Department is one of the lead departments in the institute and was established in 2009. The initial journey was started with a U.G. Program (B. Tech in Civil Engineering) with intake of 60 seats. Later, the department started a P.G. Program (M. Tech in Structural Engineering) in the year 2013 with an intake of 24 seats. With the eminent faculty and well-acquainted facilities, extensive research work is going on in the various disciplines of Civil Engineering.

FACULTY DETAIL:

The department of Civil Engineering has highly qualified, experienced faculty members from various streams whose knowledge shapes a student's leadership skills. Department of Civil Engineering has faculty of 35 members, 2 Professors, 2 Associate professors and 31 Assistant professors. Faculty members have widely recognized for their research, case development and industrial contacts which help students to teach regarding practical aspects.

FACULTY DETAIL:

Total No. of faculty: 31

S. No	Faculty	Members
1.	Professors	01
2.	Associate Professor	01
3.	Assistant Professor	29

HOD'S PROFILE:

A. Anil, M. Tech, (Ph.D)
HOD of Civil Department

Sri. A. Anil is doing his Ph. D in Water resources engineering from JNTUA, Ananthapuramu, did his Masters from S.V. University, Tirupati with a specialization in Hydraulics and Water resources Engineering and Bachelor degree in civil engineering from N.B.K.R.I.S.T, Vidyanagar. He started his teaching career is 2012. He was ratified by JNTUA, Ananthapuramu as Assistant professor. His attentiveness lies in remote sensing and GIS applications, Qualitative and Quantitative analysis of water, Expansion of Usage of sensors in water resources. He has published 10 research papers in international journals and attended 15 conferences. He is having professional memberships like IWRA, IAHR, ISRD and IAENG. He has contributed a lot for the academics and extended the services towards admissions, Placements, college activities and organizing events. He assumed office of the head of the civil engineering department on July 2021.

EVENTS CONDUCTED BY CIVIL ENGINEERING DEPARTMENT: -

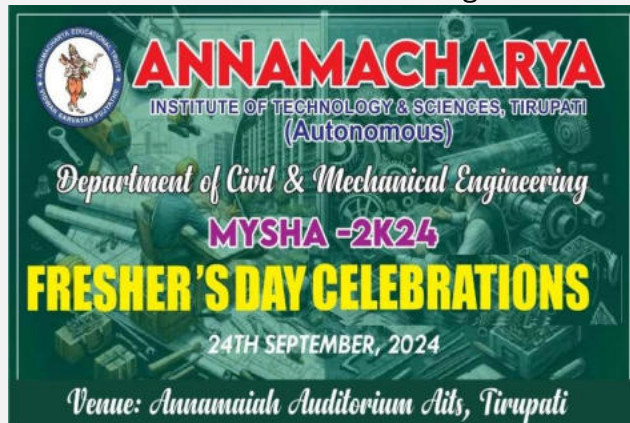

Engineer's Day 15 Sept 2024

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences, Tirupati, celebrated Engineer's Day on 14th September 2024 at the college auditorium. Dr. C. Nadhamuni Reddy, Principal of AITS, highlighted the importance of sustaining college life with moral values. The chief guest, Deputy Executive Engineer of TTD, Smt. T. Supraja, emphasized the success of a civil engineering career. The Head of the Department praised engineers as problem solvers, acknowledging their crucial role in society's development. The event was well-received by both faculty and students.

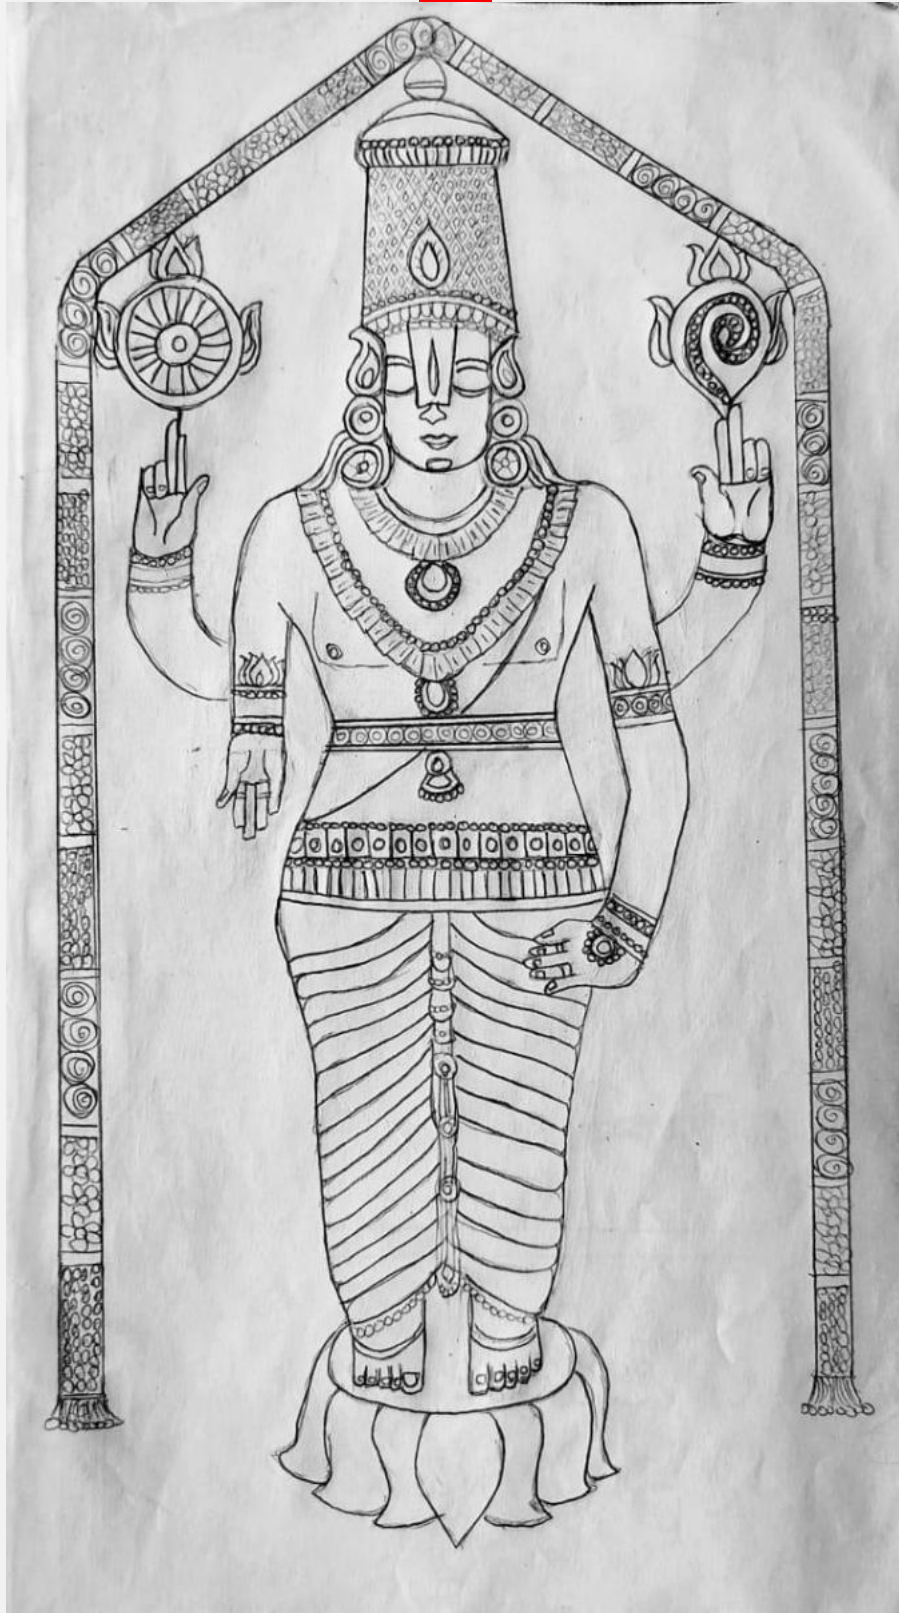

Fresher's Day 24 Sept 2024

The Department of Civil and Mechanical Engineering, Annamacharya Institute of Technology & Sciences, Tirupati, celebrated Fresher's Day on 24th September 2024 at the college auditorium. The principal emphasized the importance of behavior, code of conduct, and future planning in core branches. The Civil HOD highlighted the significance of Freshers' Day, while the Mechanical HOD spoke on the future development of core branches. Professor Kumar discussed various types of knowledge, and Professor Guru Jawahar, along with event coordinator Mrs Meenu Priya, successfully conducted cultural activities. The event fostered enthusiasm among the students for their academic journey ahead.

LETTER FROM THE *EDITOR*

November 1, 2024

Dear Reader,

This edition is about resilience, responsibility,
and rising above.

Volume 11 captures the academic pulse and
extracurricular heartbeat. Engineer's Day and
Fresher's Day 2024 brought inspiring insights
and vibrant celebrations to our department.

From honoring engineering excellence to
welcoming new students, both events
strengthened our academic and cultural spirit.

We thank our dignitaries and faculty for their
invaluable guidance. Let's continue this journey
of growth and innovation together.

Sincerely,
Miss M Sri Priya
Editor-in-Chief
