

Society of Civil Engineers

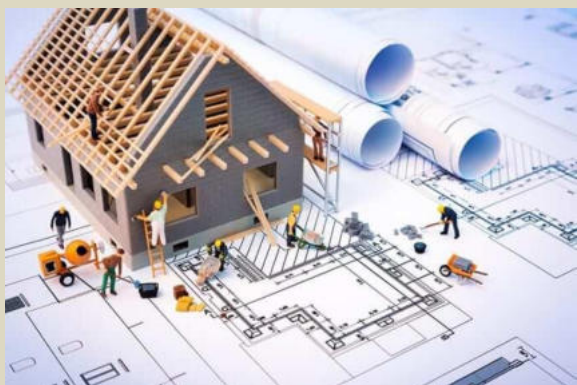

Vision

- To achieve excellence in the field of civil engineering with professional competency.

Mission

- Provide congenial learning-teaching process for holistic development.
- Upgrade the facilities to meet curriculum needs.
- Conduct Industry-Institute interactions to educate learners.
- Enhance the research to meet the societal needs.

The Civil Engineering Department is one of the lead departments in the institute and was established in 2009. The initial journey was started with a U.G. Program (B. Tech in Civil Engineering) with intake of 60 seats. Later, the department started a P.G. Program (M. Tech in Structural Engineering) in the year 2013 with an intake of 24 seats. With the eminent faculty and well-acquainted facilities, extensive research work is going on in the various disciplines of Civil Engineering.

FACULTY DETAIL\$:

The department of Civil Engineering has highly qualified, experienced faculty members from various streams whose knowledge shapes a student's leadership skills. Department of Civil Engineering has faculty of 35 members, 2 Professors, 2 Associate professors and 31 Assistant professors. Faculty members have widely recognized for their research, case development and industrial contacts which help students to teach regarding practical aspects.

FACULTY DETAIL\$:

Total No. of faculty: 31

S. No	Faculty	Members
1.	Professors	01
2.	Associate Professor	01
3.	Assistant Professor	29

HOD'S PROFILE:

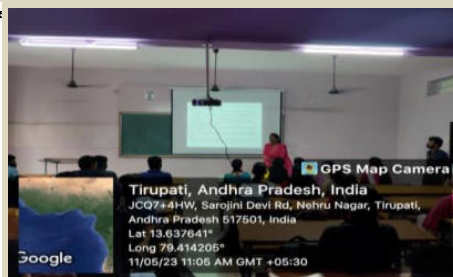

A. Anil, M. Tech, (Ph.D)
HOD of Civil Department

Sri. A. Anil is doing his Ph. D in Water resources engineering from JNTUA, Ananthapuramu, did his Masters from S.V. University, Tirupati with a specialization in Hydraulics and Water resources Engineering and Bachelor degree in civil engineering from N.B.K.R.I.S.T, Vidyanagar. He started his teaching career is 2012. He was ratified by JNTUA, Ananthapuramu as Assistant professor. His attentiveness lies in remote sensing and GIS applications, Qualitative and Quantitative analysis of water, Expansion of Usage of sensors in water resources. He has published 10 research papers in international journals and attended 15 conferences. He is having professional memberships like IWRA, IAHR, ISRD and IAENG. He has contributed a lot for the academics and extended the services towards admissions, Placements, college activities and organizing events. He assumed office of the head of the civil engineering department on July 2021.

EVENTS CONDUCTED BY CIVIL ENGINEERING DEPARTMENT:-

National Technology Day - 11 May 2023

Students of Civil Engineering have participated in National Technology Day 2023 on 11.05.2023. On this occasion, honorable India Prime Minister P. Narendra Modi has addressed all the technical citizens of India through Web cast live. Dr. J. Guru Jawahar, Professor of Civil Engineering has addressed the Civil Students about Nuclear Bomb explosions and advanced technologies and developments in remote sensing and satellite applications. Mr A. Anil HOD, CE has given his views on upcoming technologies in hydrology using GIS.

Farwell Do Svidaniya - 9-5-2023

Welcomed the Farewell on this occasion of **Farewell Day Do Svidaniya** Organized by dept of **Civil Engineering**. The theme of this farewell party reflects their hope and optimism for the future of the seniors as they embark on their new journey. Programme successfully completed by third year students with sweet memories giving warm send off to their seniors. For conducting of intra sports principal sir C Nadamuni Reddy Garu appreciated the winners and runners with certificates and medals. Students are pleased with cultural activities and explored the Farewell party with Final Pro video of Seniors memories. The programme ended with heavy hearted feelings to say good bye for final years by taking final photoshoot and we all wished them best for their future.

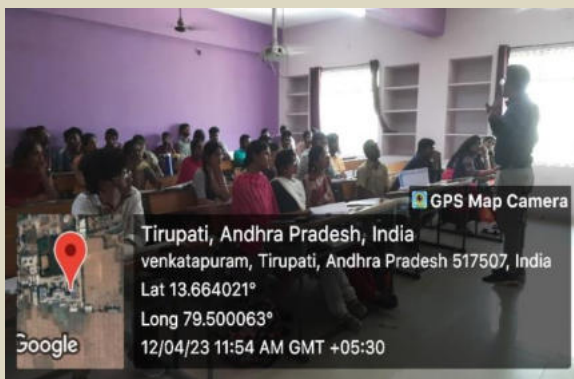

Intra Sports Competition - 12,13-April-2023

The department of Civil Engineering, Annamacharya Institute of Technology & Sciences: Tirupati Conducted sports on 12,13 -April-2023 for Civil Engineering students (girls and boys). Sports include indoor games and outdoor games .winners and runners medals were distributed for the students who participated in their respective sport was awarded by participation and certificates.

Awareness Programme on Career Opportunities - 12-4-2023

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted a Expert talk on 12-4-2023 by **Mr. Y Madhusudhan Reddy Unacademy** delivered talk on the **"Career Opportunities for civil engineering graduates "** to B. Tech students

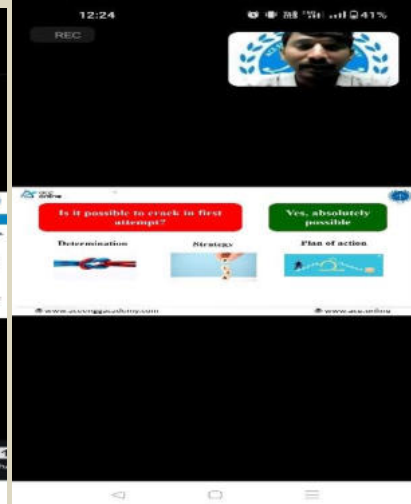

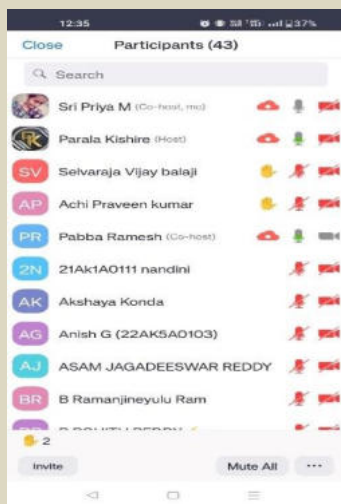

Awareness Programme on Campus recruitment training - 28-3-2023

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted awareness Programme on Campus recruitment training **28-3-2023** by **Mr. Dileep Kumar** , has delivered an expert talk about Campus recruitments, which is useful for students and all other engineering course.

Webinar on Career Opportunities - 19-3-2023

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted a workshop on **19-3-2023** by **Mr P Ramesh ACE Academy** ,delivered a workshop on the **"Career Opportunities for civil engineering graduates "** to department staffs, B. Tech and M. Tech students. In the workshop, P Ramesh sir has delivered an expert talk about Gate which is useful for students and all other civil engineering course

Eco-Lution Club - 17-3-2023

Annamacharya Institute of science & Technology, Tirupati has inaugurated eco-Lution club on 17 March 2023 by Honorable Chief Guest Dr N. MUNILAKSHMI garu SV University. In this event she spoke about pollution, how it effects the environment, and also she appreciated the initiation of eco club by the civil department & IQAC which involves the participation of students in learning about improving their environment with small thoughts which can create lot of impact in day to day activities. As part of this event, some activities have been conducted like poster presentation, electrical vehicle rally. The students showed their interest by participating in poster presentation with Green concepts and through various electrical bikes, bicycles. Electrical vehicle rally can create awareness on renewable energy. Chief guest has visited and appreciated concepts and projects done by Final year civil engineering students like constructed Tree bench using PET Bottles and Rural water management on flood cases

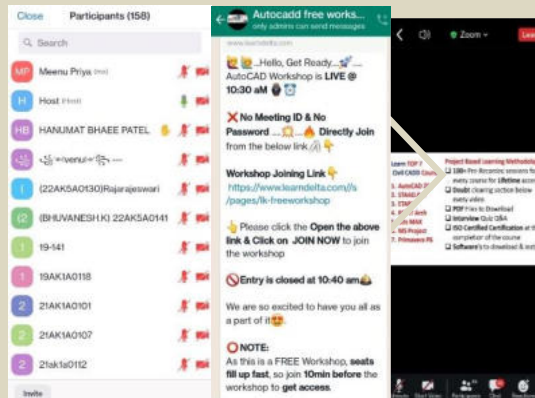

Awareness Programme on Air pollution 10-3-2023

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted awareness Programme on Air pollution 10-3-2023 by Mrs K Sumavalli, has delivered an expert talk about Air pollution which is useful for students and all other engineering course. And air pollution board successfully conducted 8 hours testing in the campus.

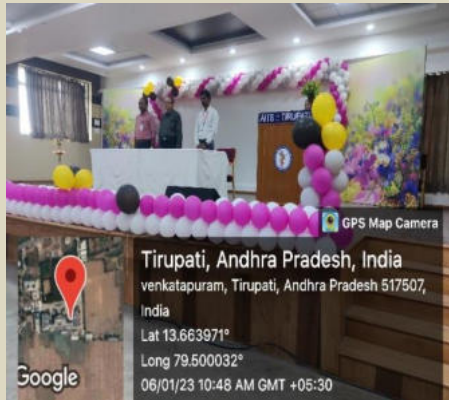

Workshop on AutoCAD 8-1-2023

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted a workshop on 08.01.2023 by Anjaneya Puli Civil CADD Trainer, delivered a workshop on the "AutoCAD" to department staffs, B. Tech and M. Tech students. In the workshop, Anjaneya Puli sir has delivered an expert talk about basics in AutoCAD, create plan of a building and also discussed about top civilcadd courses which is useful for students and all other civil engineering course. He also demonstrated with few building plans to students which has helped students to gain knowledge regarding AutoCAD

Freshers Day - 6-1-2023

Welcomed the Freshers on this occasion of **Freshers Day 2k23** Organized by dept of **Civil Engineering**. This is surely a special day for you all and a special party for them .as today they are going to start a new and fresh journey of their life, full of new challenges, milestones, and achievements. This day is a day of nostalgia for many; it is a day with many new mixed feelings of happiness, confusion, fear, and excitement.

Alumini Meet - 22-12-2022

The department of Civil Engineering, Annamacharya Institute of Technology & Sciences: Tirupati Conducted Alumini meet .An Alumni Meet is organized to celebrate and refresh old relationships and form new ones. It is an occasion when students gather at their Alma Mater, go down the memory lane and look forward for new interactions with new hopes. The alumni are thrilled to be back in the campus again and interact with new students.

An Alumni Meet is organized to celebrate and refresh old relationships and form new ones. It is an occasion when students gather at their Alma Mater, go down the memory lane and look forward for new interactions with new hopes. The alumni are thrilled to be back in the campus again and interact with new students.

Sports - 22-12-2022

The department of Civil Engineering, Annamacharya Institute of Technology & Sciences: Tirupati Conducted sports on 22-12-2022 for III Year students. Winners and runners medals were distributed for the students who participated in their respective sport was awarded by participation and certificates.

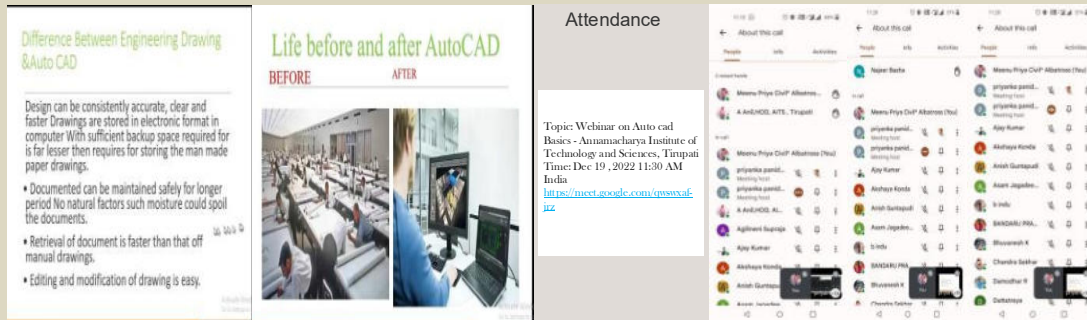

Art & Craft - 19-12-2022

The department of Civil Engineering ,Annamacharya Institute of Technology & Sciences: Tirupati Conducted Art & Craft event on 19-12-2022 for Civil students. Winners and runners medals were distributed for the students who participated in their respective sport was awarded by participation and certificates.

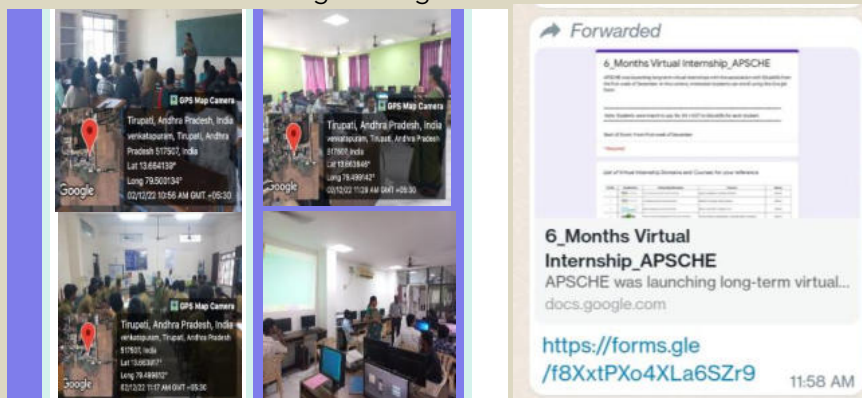

Workshop on AutoCAD 19-12-2022

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted a workshop on **19-12-2022** by **P Priyanka APPSC** delivered a workshop on the **"AutoCAD"** to department staffs, B. Tech and M. Tech students. In the workshop, Anjaneya Puli sir has delivered an expert talk about basics in AutoCAD, create plan of a building and also discussed about top civil cadd courses which is useful for students and all other civil engineering course. She also demonstrated with few building plans to students which has helped students to gain knowledge regarding AutoCAD

Awareness Programme on Virtual Internship - APSCH 11-12-2022

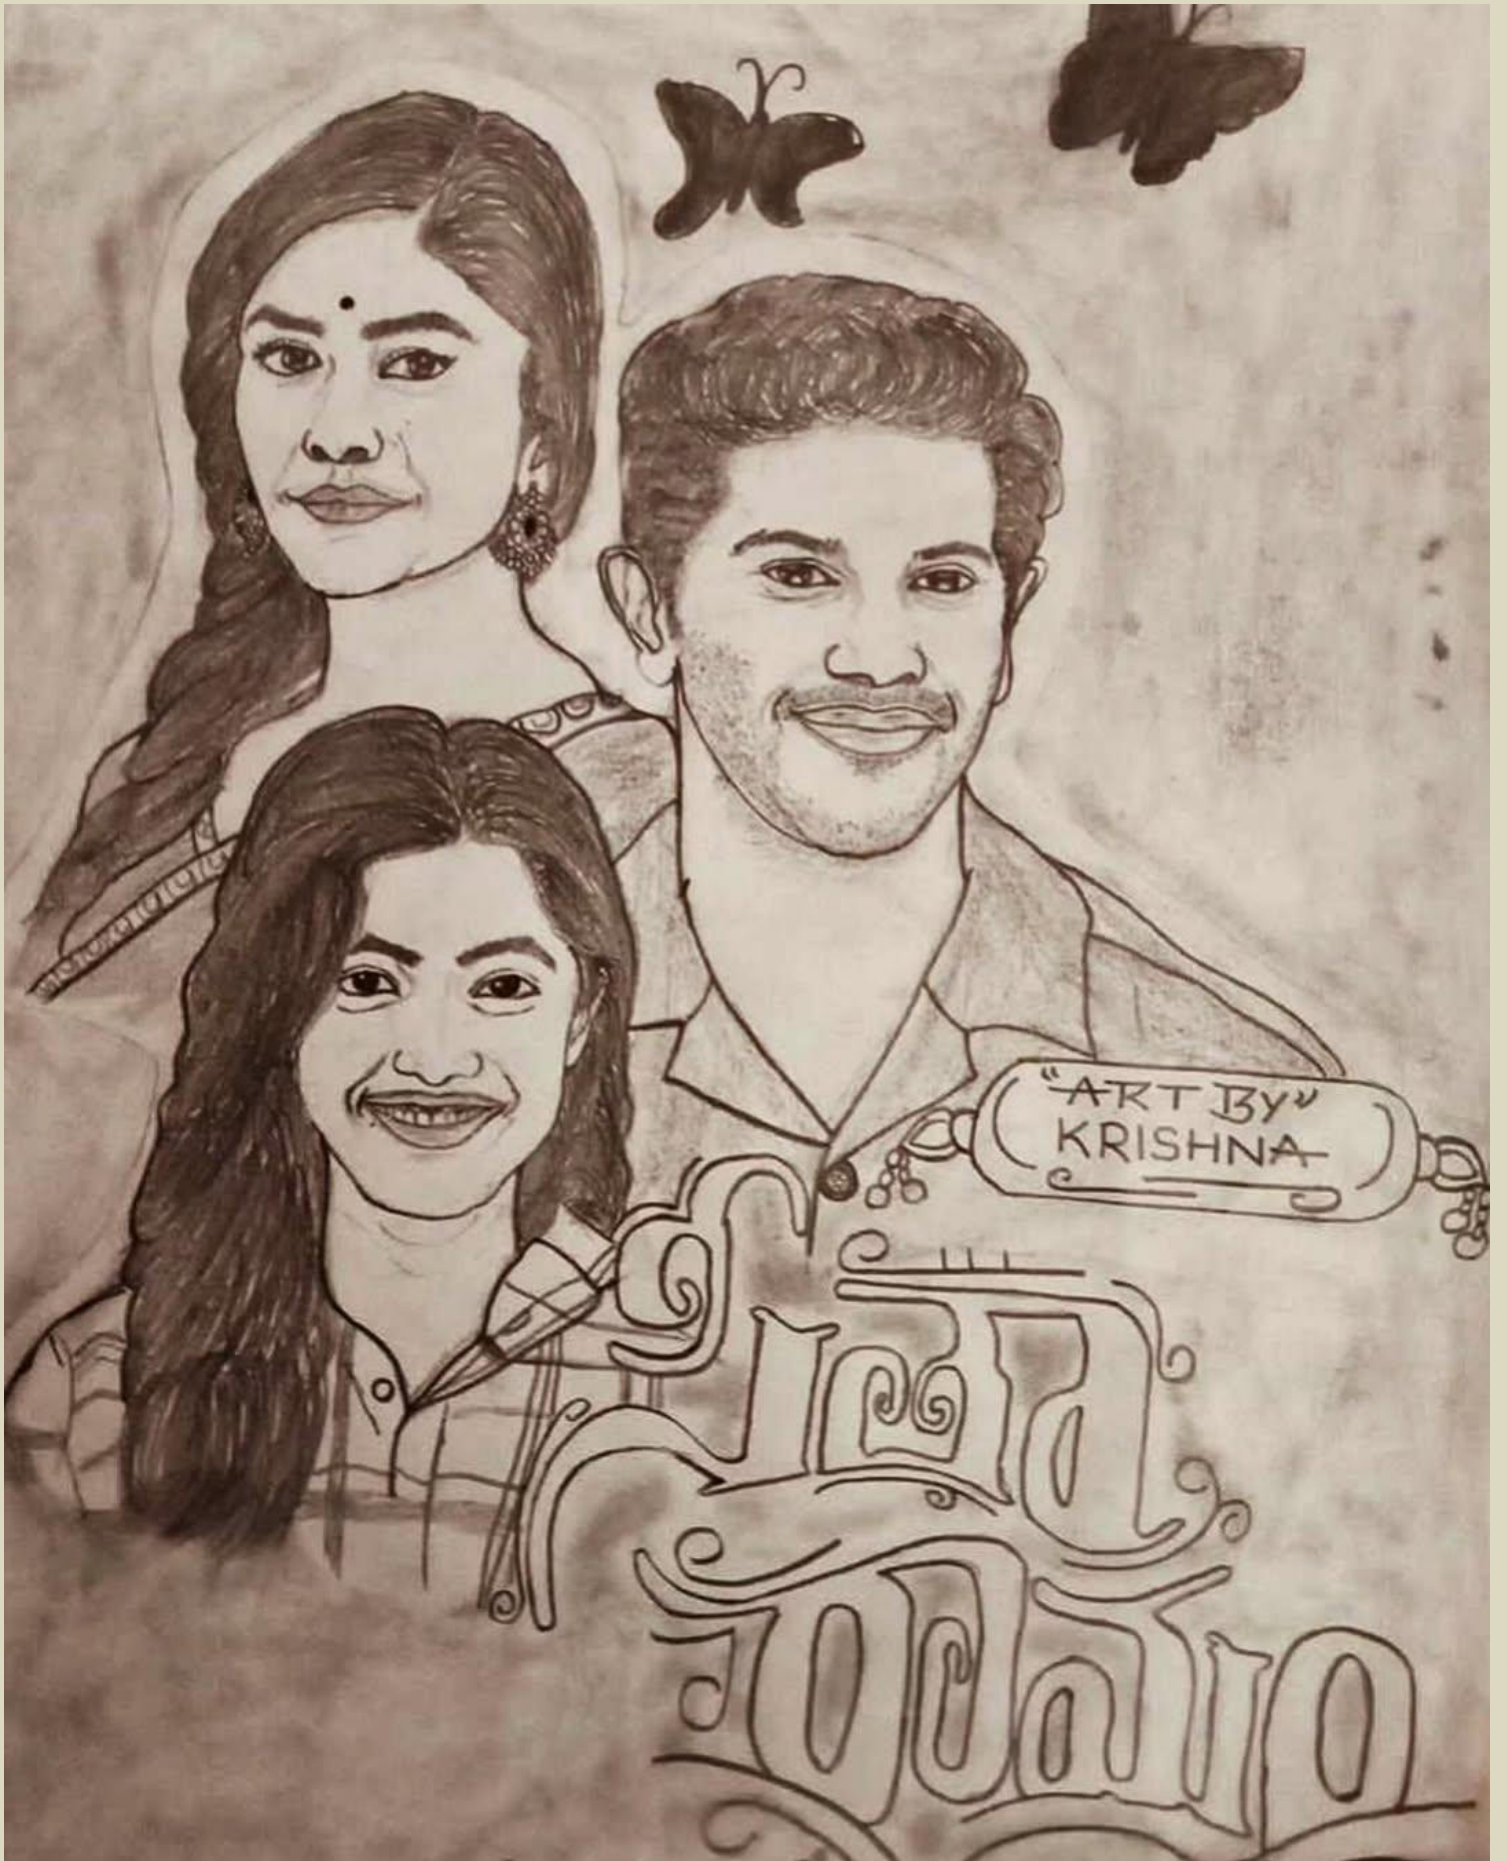

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted awareness programme Virtual Internship on 11-12-2022 by **Mrs I Suneetha**, has delivered an expert talk about Internships which is useful for students and all other engineering course.

Expert Talk on Career Opportunities 22-11-2022

The Department of Civil Engineering, Annamacharya Institute of Technology & Sciences:: Tirupati conducted a workshop on 22-11-2022 by **Mr VR DM Kaushik Agastya Raj**, delivered a workshop on the **"Career Opportunities for civil engineering graduates"** to department staffs, B. Tech and M. Tech students. In the workshop, Kaushik sir has delivered an expert talk about Gate which is useful for students and all other civil engineering course.

LETTER FROM THE *EDITOR*

July 1, 2023

Dear Reader,

**Welcome to Volume 8, a vibrant mix of
passion and precision.**

**It's been an eventful year for the Civil
Engineering Department, filled with
technical talks, workshops, and vibrant
student engagements. From National
Technology Day to awareness programs
and farewell celebrations, every event
showcased our students' enthusiasm and
growth. We thank our faculty and guests
for inspiring young minds. Let's continue
building a strong foundation for future
civil engineers.**

**Sincerely,
Miss Meenu Sri Priya
Editor-in-Chief**
