Women Empowerment Cell (WEC) was established in March 2015 with the aim of promoting gender equality and empowering women staff and students by fostering confidence, leadership, and a supportive environment for their personal and professional growth.

Vision:

A society in which, women attain their full potential and are able to participate as equal partners in all spheres of life and influence the process of social change.

Mission:

The Women Empowerment Cell, AITS-Tirupati, strives to improve the quality of life of women through transfer of knowledge and technology and to make the women empowered economically, socially, culturally and politically in order to make the fullest use of their potential to the growth of the nation.

Objectives/Functions

- To help women staff and girl students to understand their strength and potential
- To create a conducive counseling environment for female gender to share their problems
- To convene various sensitization programmes.
- To promote a culture of respect and equality for female gender
- The provision of opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right.
- To bring together women organizations, government agencies, decision makers, academicians and technologist to share knowledge and ideas in the relevant fields.
